William Wilson Putman of Blount County Alabama

Near as I have been able to guess, this particular Wilson might be a son of William and Winnie Putman. He was born in North Carolina.

Wilson was born about 1815 and his wife Susan Hullett about 1816. They appear in the 1840 census of Rutherford County North Carolina with a young son and daughter. In 1850 they were in Benton County Alabama and in Blount County Alabama in 1860 through 1880.

Based on the ages and birthplaces of the children, it seems that the family left North Carolina in 1842 or so and went to South Carolina for about two or three years and then to Georgia by 1846 and finally to Alabama by 1849. After 1880 I do not find either Wilson or Susan.

The following are the children and where they were born:
