WILLIAM PUTMAN

Fulton Co. Illinois to Washington Co. Arkansas

William Putman was the fourth son of Daniel and Prudence Putman and was born March 15, 1796 in Anderson, South Carolina in the old Pendleton District.

He was a very young child when he moved with his family to Warren County Kentucky in 1804 and still a youth of fifteen when he again moved with his family to Gibson County Indiana near Princeton.

While William was a youth, his father was becoming more and more involved in the law and politics. Both must have done a lot of reading during that period. All of Daniel's children could read and write and were better educated than most of their contemporaries. William Putman put this education to use and was the first school teacher in Barton Township in Gibson County. He was to follow this profession when he was in Fulton County Illinois, again, as the first school teacher in the County.

The following description is from Tarrt's *HISTORY OF GIBSON COUNTY INDIANA*:

William Putman was the first school teacher in the new county (Gibson). He would congregate a few pupils in the homes of settlers and give them instruction. In the Spring of 1819, a small log school house was constructed in Section 7, Township 3, Range 9. It was made of round logs without windows. The light was shed between the open spaces and the chinks and down the open mud and stick chimney at the end. When the weather was not too unpleasant, the door would be left open to give more light. This school house had a dirt floor made hard by pounding. The furniture was the most primitive kind of puncheon benches.

On August 8, 1817, William Putman married Allie Bridges in Gibson County. A descendent of this family states that her given name was actually Alla. She was born in Newbury County South Carolina on October 17, 1801. She was the eldest daughter of John and Elizabeth Bridges. In 1804, the Bridges moved to Ohio and remained there until after her father died in 1809. The family moved to Kentucky in 1814 and then to Indiana where she met and married William Putman in 1817.

William and Alla again joined the Putman family journey, this time to Fulton County Illinois in 1823. Again he became a schoolteacher. At this time his mother, Prudence, was living with them. She had lost her second husband, Landon Key, only two years before. She was to remain with this family on their move to Arkansas and finally to die at her son Reding's home in Arkansas.

In 1835 or 1836, William and Allie moved to northwestern Arkansas in West Fork Township of Washington County. They remained there the rest of their lives. He taught for a while and then spent the rest of his life farming. Farmer was the occupation shown on the several Arkansas census reports. The 1840 census of Washington County shows William and Alla with 7 sons and 2 daughters still living at home.

On March 21, 1845, William Putman and Ralph Skelton accompanied Prudence Putman to the

Key's Pension request based on Daniel's Revolutionary War Service in South Carolina. A copy of these Pension Request Papers may be found in the Addendum. The request was recorded and a Certificate issued on March 18, 1846. No further requests were made for payment, so it is assumed that Prudence died about that time. The Pension was for \$20.00 a year.

The 1850 Arkansas census shows William and Alla with four children still living with them: **Solomon** who was 20 and working as a blacksmith; **George**, 14; **Joseph**, 12 and **Prudence**, 9. Prudence was the only child born in Arkansas.

The 1850 census also shows a **D. T. Putman** living in West Fork. He is shown as being 32 and born in Indiana. His wife is Rachel 31, born in Tennessee. The children listed are Frances 7, Rebecca 4 and William 1, all born in Arkansas. His whole name was Daniel Thomas Putman, his wife was Rachel Musgrove. Daniel Thomas Putman was born in 1818 and was married February 14, 1841 in Washington County Arkansas. He died there July 5, 1864.

The 1860 census shows William age 65, Ellen age 59, Joseph age 20 and Prudence age 17. His son, William Putman Junior had married Lucinda Sims in Prairie Grove Arkansas on August 22, 1847. His son, Thomas Putman, was also in the county with his wife Rachel and their six children.

William died in the 1860s. Alla was in the 1870 census at age 68 with a female, S. F. Putman, 16, living with her. At that time, she was living with her daughter Irena Thomas and her family. Irena was also a widow in the 1870 census at age 50.

In 1871, Alla moved to Viga County Indiana, 18 miles from Terre Haute to live with her youngest daughter Prudence who was married to Elijah Stout, they were in Clay County Indiana in the 1880 census. Then in 1882, she moved to Harvey County Kansas to live with another of her daughters, Lavina and her husband Thomas Sims. Alla died in Walton, Kansas on August 12, 1887.

The following is what I know of the thirteen children of William and Alla Putman.

Daniel Thomas Putman

Daniel Thomas Putman was born in Gibson County Indiana on September 25, 1818. He married Rachel Musgrove in Washington County Arkansas about 1841 or 1842. Rachel was born in Tennessee in about 1819.

They had nine children between 1843 and 1864. During the later part of the Civil War after the Union took control of Arkansas, Daniel was taken out of his home by Federal troops and shot as a Confederate. He was killed on the night of July 5, 1864 near Sulphur Spring, Arkansas.

Rachel appears through the 1880 census when she was 61 and must have died during the 1880s.

Their children were:

SARAH FRANCES PUTMAN born in 1843. Listed as Francis in 1850, Sarah in 1860.

REBECCA PUTMAN was born in 1846. She married Samuel Green Gay in Dade County Missouri November 25 1878 and did probably in childbirth in 1879

WILLIAM THOMAS PUTMAN was born in 1849. Died or missing by the 1870 census.

LUCINDA FRANCIS PUTMAN was born August 7, 1851. She married John Washington Gay in Washington County on August 11, 1871. He was born in Missouri October 2, 1848. He was a son of Greene Gay and Elizabeth Stout. As of the 1880 Census, they were in Center, Dade County Missouri and had:

John William Gay born in Missouri March 15, 1878. He married Mary Emily Davis August 21, 1899 in Exline, Appanoose County Iowa. Mary was born in Iowa November 20, 1883 and died in Denver, Colorado January 31, 1935. He died in Denver November 6, 1947. They moved to Colorado in the early 1900s and were in Weld County in 1910. They had 4 children <http://trees.ancestry.com/tree/10505342/person/-59514792>

Perry Everett Gay born in Missouri May 14, 1880 and died in St Louis in November 1963. He married Jennie St. John about 1907 and they had 5 children. They were in St. Louis from about 1912. <http://trees.ancestry.com/tree/10505342/person/-59514790>

Then, according to a family sheet, she left John Gay and married Alfred Bradshaw in Labette County Kansas about 1887 and had 3 kids before he died in 1895. Frannie died there in Parsons, Labette County October 26, 1945. These kids were:

Della Irene Bradshaw born January 22, 1888 in Labette County and died there August 30, 1946.

Lon Bradshaw born October 1, 1892 and died in Parsons in May 1966. He had a wife named Ruth.

RACHEL ELIZABETH PUTMAN was born in 1856.

EMILY AGNES PUTMAN was born January 9, 1859. She married John Gollaher on August 23, 1877. They moved to Benton County Arkansas where she died on March 5, 1945. They had:

Bertha Gollaher born in February 1894.

Iva I. Gollaher born in February 1896.

DANIEL PUTMAN was born in 1862. Do not find after 1870, he must have died.

WILLIAM FRANKLIN PUTMAN was born December 30, 1864. He was living with his mother in 1880. He was then in the 1900 census for Denton County Texas. At that time the wife was Rosa Main born in Kansas and there were no children. He and Rosa were in Pittsburg County Oklahoma in 1910 and in Pushmataha County Oklahoma in 1920 and 1930 and 1940. He died there September 27, 1947. Rosa was a daughter of Joshua Main and Rachel Manley. She was

Irena Putman

Irena was born in Indiana on March 8, 1820. According to family information, she died in November 1900. She married William Franklin Thomas about 1837. He was born in Kentucky in 1816. They lived in Prairie, Washington County and had:

DANIEL THOMAS born about 1838.

NATHAN THOMAS born in 1841.

ALLA JANE THOMAS born June 26, 1845 and died in Prairie, Washington County August 3, 1927. She married Moses B. Tharp about 1871. Moses was born September 12, 1839 in Alabama and died in Prairie, Arkansas October 8, 1924. They had:

Robert W. Tharp born in 1872 and died in 1882.

He was born September 12, 1891 in Johnson, Stanton County Kansas and died in Little Rock, Arkansas May 3, 1967. They had five children.

George Woodmansee Tharp born in Fayetteville May 1, 1892 and died there in November 1966.

Roy Tharp born in 1900 and died in 1903.

John Bridges Putman

John was named after Alla's father. He was born December 23, 1821 and died four months later on April 24, 1822 in Indiana.

Ede Jane Putman

She was born in Gibson County Indiana on February 19, 1823 and died in her second year on July 17, 1824.

Calvin Putman

Calvin was born in Gibson County Indiana on December 23, 1824. He married Martha Sims in Davis County Iowa on August 4, 1846. They moved to Lawrence County Missouri for the 1850

County as a farmer. In the 1870 census, Martha, then 45, was alone. They were divorced so it must have taken place by that time. He was in Grundy County Missouri in the 1870 census, and had just married Carolyn or Caroline who was about 16 at the time they were married.

In 1880, he is in the census of Grimas Forks, San Juan County Colorado and has a wife named Caroline some 30 years younger than he. In this census he has some new children all born in Missouri between 1869 and 1873. He then dropped by Arkansas for a quick visit, as he had a son born there in 1883. Then he had another son born in 1889 in Idaho, according to the census. By 1895, he was in Missouri. As to Caroline, that is the way she was listed in the census reports, but a descendant indicates her name was Lucinda Cora. Maybe it was Lucinda Caroline, and she used Caroline. Her dad was killed in the Civil War and something happened to her mom, and she and a brother and sister were put in an orphanage and no one knows her maiden name.

In 1900 he is in McDonald County Missouri with his wife, Caroline. He is 75 and she is 45, born in Arkansas. His younger brother George is also there. There are also two young Floyd grandchildren listed in 1900, so there was at least one married daughter, who was Ella, by 1900.

Calvin died in Fayetteville October 19, 1904. In the 1910 census Caroline was listed as Lucinda C. Floyd in Osage County Oklahoma, with her son William. The daughter Ella had married John C. Floyd, had two children, and died before 1900, probably in the childbirth of her daughter Ella in 1898. John Floyd moved in with Caroline/Lucinda. They were married 'by convenience' December 18, 1901 in order that John Floyd could remain in the same house. Seems two single people could not live in the same house if they weren't married. Or at least that was told to a descendant. John Floyd was killed in a fight shortly thereafter. Lucinda died December 30, 1938 in Bartlesville, Oklahoma at age 84.

Based on these census reports and some info from descendants, his children all with Lucinda Caroline were:

IDA PUTMAN born in Missouri December 18, 1869. She married Francis Marion Bryant in Weiser, Idaho November 25, 1888. He was born in Jackson County Alabama January 12, 1857 and died in Idaho October 29, 1931. Ida moved to Seattle, Washington and then to Portland, Oregon and died there September 21, 1936. They had some thirteen children:

Virgil Bryant born June 28, 1890.

Leola Bryant born in Oregon November 23, 1891.

Myron Bryant born in Oregon in March 1893.

Willis Leslie Bryant born in Oregon March 31, 1895.

Elsie M. Bryant born in Idaho in October 1896 and died in Grandview, Washington February 6, 1981.

Ruby Bryant born in Idaho November 29, 1896.

Esther M. Bryant born in Idaho in May 1898.

Elsa E. Bryant born in Washington County Idaho March 21, 1900.

Ervin E. Bryant born in Rock Island County Idaho November 10, 1901.

Erma Bryant born in Idaho January 26, 1903 and died in Washington April 23, 1951.

Rollo Aaron Bryant born in Idaho November 12, 1904 and died in Medford, Jackson County Oregon August 12, 1986.

Raymond Calvin Bryant born November 2, 1906 in Oregon and died in Montana March 27, 1946.

Minnie Bryant born in Idaho June 26, 1910.

NAOMA FRANCES PUTMAN born in Missouri in 1871. She married Harvey Abernathy in Camas Prairie, Jefferson County Idaho February 24, 1889. She died in Polk County Arkansas October 22, 1915.

ELLA PUTMAN born in Missouri in 1873 and died in the very early 1900s. She married John C. Floyd January 1, 1894 and had two children:

Roscoe Floyd born in Missouri July 23, 1895. He married Eunice Taylor, and they were divorced in 1924. Eunice then married his cousin William Harvey Putman in 1925. Roscoe moved to Marshfield, Missouri and there married Dora Jane Lender in about 1926. He died in Marshfield in April 1967. Dora died there in February 1977. They had 5 children.

Ella Floyd born in Indian Territory, Oklahoma in January 1898. She married George Davidson in Missouri. They had three children.

EDGAR CALVIN Oklahoma. He married Birdie Davis on November 14, 1911 in Collinsville, Oklahoma and had one son. Birdie was born in Washington County Indiana March 26, 1886 and died June 20, 1953 in Vinita, Craig County Oklahoma. He was a blacksmith, and then when the automobile came along, became a mechanic. He was in Osage County near his mother in 1910, and then moved to Washington County Oklahoma after he was married. Birdie was by 1920 an inmate at the Eastern Oklahoma Hospital in Vinita and was committed there till she died in 1953. Edgar died in 1924. The one son was:

Roy Calvin Putman born May 5, 1918. He married Mary Catherine McComas on July 2, 1938. She was born in Parsons, Kansas December 27, 1909 and died August 22, 1992 in Tulsa, Oklahoma. He died in Tulsa November 1, 2004. They had two daughters:

Dee Ann Putman born July 25, 1943. She married James Thomas Foote on September 12, 1964.

Judy Kay Putman born August 3, 1946. She married Marty Lutke on January 14, 1966. They were later divorced, and she married Robert L. Sapp on February 3, 1979. Robert died June 15, 2007.

WILLIAM HARVEY PUTMAN born in June of 1889 in Idaho according to the census. He died in 1946. There is no record of any children.

Hazeal Putman

Hazeal was named for William's older brother. He was born on October 21, 1826. He remained in Fulton County Illinois after the rest of the family went to Arkansas. He lived in Buckheart Township on the original farm of William and Allie.

There he married Lydia Ann Miller, daughter of John and Elizabeth Miller of Virginia. They were there in the 1850 and 1860 census. In 1850 she was living with her parents, Hazeal was off somewhere at that time. They were together in 1860 with two sons. I believe after that they moved to Bushnell, McDonough County a couple of miles west. He was there during the Civil War as his sister Lavina went there to live while her husband was in a Yankee Prison. In 1870, the family was in Washington, Tazewell County Illinois. In 1880 they were in Cedar Rapids, Linn County Iowa.

Children through 1880 were:

WILLIAM ALEXANDER PUTMAN born in August 1850. In 1880, he was married to a gal named Belle Darnell, and they were living in Chicago. They were there in 1900 as well. As of 1900, they had:

Cora Putman born in Ohio in November of 1872.

Alto Putman born in Indiana in July of 1873. He is in Chicago married to a Minnie in 1910 1920 and 1930. There were no children as of then.

Leo Putman born in Indiana in July of 1873. He was married to a Mary in Chicago in 1910, and widowed there in 1920 with two daughters.

William Putman born in Illinois in January of 1879. Best I can figure is he married Medora Hoffman in Missouri in 1901 and had three children: William, Robert and Mattie. I can't find him in 1910, but in 1920, he is back in Chicago with a new wife, Helen born in South Dakota and two of his kids.

Catherine Putman born in Illinois in November of 1883.

Harry Charles Putman born in Illinois August 1, 1888. He is married to Clara Ponto, and still in Chicago in 1930. He died August 7, 1936 and Clara is widowed in Chicago in 1940.

Charles Putman born in Illinois in August of 1887. I don't find him after 1900.

Lydia Putman born in Illinois in November of 1888.

Belle Putman born in Illinois in January of 1890.

CHARLES H. (HAZEAL?) PUTMAN born March 10, 1859, and at home in 1880. In 1885 through 1900, he was in Linn County Iowa with a wife named Lois A. Morgan born in New Hampshire. They had one daughter at the time. Then by 1920 he is still in Cedar Rapids with a second wife named Winifred Johnson. They are there in 1925 too. By 1930 he is with his married daughter Essie in Santa Barbara California. He is there in 1940 as well and died there July 27, 1941. The only child was:

Essie M. Putman born in April 1884. She was married to Harry C. Hensley in Santa Barbara California in 1930 and 1940.

IDA PUTMAN born in 1864 and still at home in 1880.

William James Putman

William Putman was born in Fulton County Illinois on September 6, 1828. He married Lucinda Sims in Washington County Arkansas on August 22, 1847.

He was in Lawrence County Missouri in 1850 and his first two children were born there. In 1860 he was in Yell County Arkansas still with Lucinda.

One researcher has told me that he died on June 16, 1862, in fighting in the Civil War. But I found who I am sure is this William in Red River County Texas in the 1870 census. I do not find him yet in 1880 or later census reports, but he was in Polk County Arkansas.

Lucinda had definitely died by that time. Now we get into the marriage confusions. In the 1870 census, William definitely has a second wife, listed as Elizabeth. She is Elizabeth Morris, widow of William Walkun. The William Putman listed in that report is actually her son William David

Walkup.

Then something interesting came up. A Researcher on another Putman line in Polk County Arkansas mailed me a photo of a wooden headstone she found in the woods near Mena, Polk County. It reads, "BILL PUTMAN born about 1830, died about 1890. A Pioneer At Rest." There was no one in the regular Polk County Gang that fit those dates. I'll just bet it was this William. I completely lose him after the 1870 census. This William lived on Rich Mountain, near Mena, Polk County Arkansas, and was buried there.

Now, here we go out on a big limb. William doesn't appear in the 1880 census anywhere, but I just know he's the guy who died in 1888 in Polk County. In 1900 and 1910, a George Calvin or Calvin George Putman shows up in the Polk County census returns. He was born in 1875-76, so didn't appear any time earlier. I have a feeling he was a son of William, and named for William's two brothers. There is, of course, a chance he may have belonged to either George or Calvin, as they didn't appear in any 1880 census. But they were in Colorado and then back to Missouri for the 1900 census, and were living together. A descendant of this Calvin states his death certificate lists Bill Putman as father with no mothers name listed. So this is the only logical place to put him.

It seems he was married at least three times. First to Lucinda, then in the 1870 Texas census was married to Elizabeth Morris, widow of William Walkup of Arkansas, who died in the Civil War. I am not certain if he was the William who married Sarah Belts in Red River County Texas. Then a descendant states he married Jeanette Lewis in Arkansas about 1880, and they had one son, Lon born in 1882. After he died, Jeanette married John Allen.

Hopefully, the children were:

WILLIAM JAMES PUTMAN born in 1849. He married Malinda C. Harrison back in Yell County Arkansas on August 9, 1867. She was with him in 1870 in Red River County Texas living near his father. They had two sons in 1870, Harrison and William. Then something happened. In 1880, William is back in Arkansas living with his aunt and Uncle, William and Rebecca 'Sallie' Ray in Waveland, Yell County Arkansas. There is another 'stray' Putman, Joseph Henry Putman, also back in Yell County living as an adopted son of John and Sarah Lackey in Lower LeFarve township of Yell County. The eldest of William's sons, listed in the census as Harrison, may be this Joseph H., just not certain on this one right now. At any rate, the two children listed in the 1870 Texas census were:

Harrison Putman born in Yell County Arkansas in 1865. I am betting that he ended up being adopted by the Lackey family in Yell County Arkansas. Really no other choices so far. But, I will not go so far as to 'write this in stone', so look at the end of this section for details of Joseph H. Putman and his family.

William Franklin Putman born in Yell County Arkansas August 14, 1867 (or more likely 1869). He married Laura Elizabeth 'Callie' Chappell in Danville, Yell County on November 29, 1888. Laura was a daughter of Susan Chappell who remarried Joel Robbins. I do not know Susie's maiden name nor the name of her husband. They then lived in Waveland, Yell County the rest of their lives. William died there July 20, 1931 and Laura or Callie died there August 29, 1951. Their children were:

William H. Putman born October 19, 1889 and died May 22, 1890.

Mary C. Putman born June 10, 1891 and died in September 1974. She married William Shepherd.

Joel Robert Putman born December 27, 1894 and died November 9, 1966. He

1898, according to her tombstone, but no death date was listed. They lived in Waveland all their lives. Children were:

Eunice Edna Putman born July 21, 1918. She married Elbert Beaty.

Earnest Henry Putman born July 17, 1920. He married Emogene Biggs.

Edith Irene Putman born February 18, 1927. She married James Davis.

Roy Putman born October 8, 1908 and died August 29, 1911.

Everett Earl Putman born December 9, 1909 and died February 6, 1970. He married Ruby Marie Nicholson in 1932. They had two sons:

Earl Edward Putman born in 1935. He married Thelma Marie Huddleston.

James David Putman born October 13, 1947. He married Cherrine Gay Salt September 2, 1967. He divorced in 1978 and married Mary Marie Martin November 29, 1980.

Billy Putman born in 1953.

JULIA A. (ARENA?) PUTMAN born in Missouri in 1850. She was listed as Rena in 1870.

ALLIE JANE PUTMAN born in Arkansas in February 1865. Only see her in the 1870 of Texas. She was called Janey. She married Jasper Newton Finney and had 9 children. She later married William Andrew Knighten on February 16, 1905 in Amity, Arkansas, and had one more son. She died in Pike City, Arkansas January 29, 1937. Kids were:

Albert Newton Finney born March 6, 1881 in Franklin Arkansas and died in Pike County October 1, 1947. He married Emma Jackson about 1922. She was born in Arkansas November 19, 1905 and died in Logan County Arkansas February 19, 1950. They had <http://trees.ancestry.com/tree/10505342/person/-55260898>
