John Putman

Laurens County South Carolina To Greene County Missouri

John was a son of Daniel and Sarah Putman. He was born about 1783 or 1784 in Culpeper County, Virginia. He married Mary (Polly) Garrett about 1803 in Laurens County, South Carolina. Polly was a daughter of John Garrett and Phebe Llewelling and was born December 24, 1799. They moved to Lincoln County, Tennessee by the 1820 census. He was in Bedford County, Tennessee in 1830.

He and a son, Reuben, were both in Marshall County, Tennessee in the 1840 census. In 1840, in addition to Reuben who had his own listing, John had 4 sons and six daughters. There was another son, probably Mansel, living with Reuben. See the Tennessee Census Records Section for details. It was later stated in a *History of Greene County Missouri* that there were 14 children in all.

In 1842 the family left Tennessee and arrived in Greene County and settled in Robinson Township, seven miles north of Springfield, Missouri.

He was in the 1850 census of Greene County, Missouri. His listing in 1850 showed ten children and Mansel and Reuben were there with their own families so twelve kids in all went together. That leaves two unaccounted for. They were probably daughters who married before 1850.

He died on September 27, 1867 in Greene County, Missouri at the age of eighty four years. Polly was widowed in 1870 and in 1880 she is living with her son William Housley Putman at age 80. There is her gravestone that states she was born December 24, 1799 (a very nice Christmas present for her folks) and died October 24, 1880.

The following is what I know about their fourteen children:

Reuben R. Putman

Reuben was the eldest. He was born on November 19, 1817 in Lincoln County, Tennessee. He was married by 1838 and his wife was named Mary or Polly. She was born October 12, 1814 in South Carolina. She may have been a Garrett woman also.

In 1850 the family was listed as Reuben 39 TN, Mary 36 SC, James E. 11 TN, John 9 TN, Thomas B. 5 MO and Elisha B. 2 MO.

Reuben died in Greene County, Missouri on October 17, 1897. Polly died there on January 6, 1884. They were farmers in northern Greene County and lived near Fellows Lake.

Their children were there in Greene County in the 1880, 1900 and 1910 census reports. The children were:
