Elias Putman

Cleveland County North Carolina

He is a son of Benjamin Putman and Elizabeth Griggs. Elias Putman was born in Bute County North Carolina in 1771. On December 27, 1796 he married Nancy Roberts, a daughter of Morris Roberts, born September 26, 1774, in Rutherford County. Elias and his family were the original founders of the Zoar Baptist Church located near Shelby, North Carolina. A number of his descendents still live in the area today.

Elias lived on the same farm the rest of his life, but it became a part of Cleveland County when that County was formed. Elias died there on October 5, 1848. Nancy died there on December 4, 1857. Both are buried at the Zoar Church Cemetery.

In the 1820 Census, Elias had 9 sons and 3 daughters. In the listings I have found of his children I get the 3 daughters, but only 7 sons. My problem with this is in connection with a son who has been listed as Drewary Anderson Putman. It is my feeling this is really two sons and a comma got left out of some listing somewhere. They are both about the same age and may very well have been twins and in some old bible both names went with the same date. I am not certain, but I find Drewary or Druary listed in 1840 in North Carolina and Anderson listed in the same year, but in Georgia. This gets me to 8 sons. Perhaps one died or if you look at the census reports that follow you will see Elias was listed twice once with 8 sons and once with 9 sons. At any rate, I am herewith going to treat Drewary Anderson as two separate sons. It is the only thing that makes any sense. I believe both went to Georgia.

Elias and Nancy Putman had the following children, all born in Rutherford County North Carolina:

Willis Putman

Willis was I think the eldest son, born in late 1798 or early 1799. His wife was Elizabeth Fondren. Most of the information on Willis comes from his 1846 will and the 1830 to 1850 census reports.

He was probably married about 1822 or 1823. He was with his folks in 1820 and in Lincoln County North Carolina in 1830 and 1840. In 1850 Elizabeth is back in Cleveland County with the younger children, and she is there also in 1860.

In his will dated October 24, 1846 and proved after his death in November of the same year, he mentions his brother Barnet to be his executioner. This ties him in with Elias Senior quite nicely.

Willis died on November 8, 1846. Elizabeth was still listed as his widow in the 1860 census at age 57 and died sometime afterwards but before 1870.

Based on the 1830, 1840 and 1850 census and some other data, I list his children as the following:

LORENZO DOW PUTMAN born in 1828. He, like several others in the family was named after the well known local preacher. Lorenzo moved with his brother Eli to Mississippi in the late 1840s. He and his wife Kate lived in Mississippi through his death, and then Kate and some kids moved on to Texas. For details on this family, see the **MISSISSIPPI PUTMANS** section of this work.

William Putman was born in either 1799 or early 1800. His wife was Sarah Miller and they were married in about 1820. Sarah was a daughter of David Miller and Nancy Lambert. William was a blacksmith as were lots of the Putman guys.

The family was in Cleveland County in the 1850 census, but I do not find them in 1860 in North Carolina. He was 51 at that time and Sarah was 45 years old.

As near as I can figure, they had the following children:

SAMUEL L. PUTMAN was born about 1821 in North Carolina. He married Winnie (Winifred) Long in the early to mid 1840s. Winnie was born about 1827 and was a daughter of Bromfield and Jency Long. Their first child was born in 1846. They first appear in the Cleveland County 1850 Census with three children. Samuel and Winnie were in the 1870 census, but only Winnie, then 58, made the 1880 census, still in Cleveland County. There was a dual listing in 1880, as both Sam and Winnie were also listed in Spartanburg County South Carolina in 1880. Based on census reports, their children were:

Perry Green Putman born in December 1846. He enlisted as a private in the CSA at the Orange Court House in Virginia at age 18 on April 18, 1864. He was wounded in the head and eye at Wilderness, Virginia May 5, 1864. He was returned to duty prior to July 1, 1864. He was then captured at Fort Stedman, Virginia on March 25, 1865. He was confined at Point Lookout, Maryland until release on June 16, 1865 after taking the Oath of Allegiance. In 1870 he is shown living next to his father with his wife Susan M. Waters. He is then 24 and she 23. They are present in the 1880 census with these children: Augustus, Emparo, Amanda and John S. They were then living in Gaston County North Carolina. In 1900, they were back in Cleveland County. In 1910 he and Susan have moved to Portsmouth, Virginia to be with two of their kids. She died in Portsmouth Virginia in August 1912. Perry died in Nash County North Carolina January 24, 1920. Based on census reports and other info, their children were:

Augustus S. Putnam born in 1869. He married Laura Sides on May 3, 1890 in Lincoln County. He then married Martha J. Russ on December 18, 1892, and then Ella Huntley in Rutherford County on December 13, 1894. He was widowed in Washington DC in 1920. His burial date is March 2, 1931. Kids were:

Joseph Putman born in 1870 and died before 1880.

In 1910 and 1920 he is in Portsmouth, Norfolk County Virginia. By 1930 he is still in Portsmouth working at the Navy Yard. Margaret died in June 1924, and he has all the kids with him. He died in Portsmouth July 26, 1956. Their children were:

Elias Putman Jr.

This Elias, one of many with the name, was born about 1806. He married Nancy Wesson on June

9, 1831 in Rutherford County North Carolina. The marriage license was witnessed by his brother, Willis Putman. They appeared in the 1840 census of Rutherford County with three sons and two daughters.

Elias died about 1841 and Nancy appeared as a widow in the 1850 census. She was granted widow's rights January 1, 1842, and this is why we think he died in late 1841. In February of 1850, Nancy was granted guardianship of the children (page 208 of the Court Records) and in August of 1851 she was named again (page 251) and this time the minor children were listed by name.

In 1860, Nancy and some of the children were listed in Cleveland County and she was 49 at the time. She was listed in 1870, age 60. In 1880 she is 70 and living with her son William and his family. She probably died in the 1880s.

The children of Elias and Nancy were:

ZINEY PUTMAN born in 1831 per the 1840 census, but as she was not in the 1850 census, I do not have a name. She was either married or had died by 1850 and was not listed in the guardian appointment. I assume that she was married by that time. According to Jim Putnam, her name may have been Hildy. I think she may be Zinny Putman who married the Reverend John Henderson Bowen in 1849 in Cleveland County. Their first child was named Elias Alexander Bowen. If so, they moved to Itawamba County Mississippi and were there for the 1860. If this is the case, the kids were:

Elias Alexander Bowen born in NC April 1850.

Emily J. Bowen born in NC in 1852.

Martha A. Bowen born in NC in 1855.

Henderson Roberts Bowen born in NC January 1, 1857.

MARCUS L. PUTMAN born July 13, 1833 and died June 5, 1900. He married Emily Jane Camp on May 24, 1855 in Cleveland County. Emily was born September 30, 1836. There were no children born in the time frame of the Civil War, but I do not find any service records on Marcus, and don't think he served as he was listed as an invalid in the 1850 census. He and Emily were still in Cleveland County in the 1900 Census, both in their sixties. I do not find them in 1910. Their children, based on the 1880 census, were:

Charles Franklin Putman born February 21 or 24, 1857 and died May 22, 1941. He married Elizabeth Jane Kendrick in Cleveland County on October 30, 1881. Elizabeth was a daughter of Larkin Kendrick and Elizabeth Jane Martin. She was born August 7, 1858 and died September 17, 1936. In 1900 he and Elizabeth have these children listed. They are still here in 1930 in their early seventies. Children were:

Griggs Putman

Griggs Putman was born in 1805, according to his tombstone. His wife's name was Louisa and they were married in Rutherford County in 1830.

Griggs and Louisa Putman had the following children:

JAMES THOMAS PUTMAN born about 1838. He was at home in 1850 and in 1860 was listed at home and a student, and was also listed in Buncombe County North Carolina with his sister Abby Jarrett. He served with the CSA in the Civil War, joining at age 23 on April 27, 1861. He died of pneumonia in an Army hospital in Petersburg, Virginia on July 27, 1862.

Anderson Putman

Anderson was born in 1814. Sometime in the 1830s he traveled to northwestern Georgia and settled in Murray County. There he married Jane McGill on May 15, 1837. Jane was a daughter of John McGill and Rebecca McKinney. John McGill died February 12, 1819 and Rebecca moved with her children to Murray County Georgia. That's where they met.

He first appears in the Murray County census in 1840 with two young children probably Nancy and John. He and Jane are shown in their 20s and there is an older woman who turns out to be Jane's mother, Rebecca McGill.

In the 1850 census, we get a listing of his children and Rebecca, then 78, is still with them. Also there is a Sarah who may be the widow of his brother Drury.

In 1860 they were just north over the border in Polk County Tennessee with two more kids. At the end of the listing was Rebecca McGill with a line drawn through it. I believe this means she was listed, and then would be 88, and died very shortly afterwards and the line drawn through.

In 1880 the family is back in Murray County Georgia with Anderson 66 and Jane 64. At home are two girls, Jinnila and Loucinda. Jinnila was a daughter but I am not certain about Loucinda. She was not listed in any census reports and may have been a niece or some such.

Based on the various census reports, I think the children were:

JOHN OSBORNE PUTMAN born in Georgia August 8, 1840. He was 20 while the family was in Tennessee in 1860 and then headed to Texas. He appears in the 1870 census of Rusk County Texas at age 30 with a 19 year old wife, Mary E. Pitner born in Texas September 25, 1850. They were married there on June 30, 1867. They will remain in Rusk County for the rest of their lives. Mary died February 17, 1886 and John died in Rusk County November 29, 1914. Based on census returns, the children were:

William H. Putman born in April 1868 and living alone in Rusk County in 1900 and

1910.

Cora L. Putman born in 1870. She married W. A. Stewart in Gregg County Texas on April 3, 1894.

ELLEN PUTMAN was born in 1860. She married George McMahan in Murray County October 21, 1888.

Druary Vance Putman

Druary Putman was born about 1815-1816 in Shelby, North Carolina. In one source, I find that he married Sarah Spake in Rutherford County on May 11, 1837.

There is a D. Putman listed in Rutherford County in the 1840 census who is him. At that time he and his wife were in their 20s with a young son. Then I find nothing more of him in North Carolina. He died in about 1845 or 1846.

In about 1847, Sarah married John B. Scoggins and they had five children: Margaret V. Scoggins born in February 1849, Mary J. Scoggins born in 1852, Eli Scoggins born in 1854, Virginia Scoggins born in 1856 and Sarah Scoggins born in 1858.

Druary and Sarah's children were:

JAMES WEBSTER PUTMAN born June 7, 1838. He married Martha Reid on May 3, 1858 in Shelby, Cleveland County. Martha was born in March 1837. In 1860 he is with his wife Martha in Cleveland County with one child. They are in the 1870 census of Mitchell County North Carolina with three children. James Webster was a Baptist Minister and circuit rider. He served as a 2nd Lt. in the Confederate Army during the Civil War and was a Chaplain for the Infantry. He enlisted on May 17, 1862, and was in Captain Jacob Bowman's North Carolina Rangers. He was severely wounded September 20, 1863 at Chickamauga. He received a pension for this in 1905. He died in Bakersville, Mitchell County on September 24, 1914. I do not know when Martha died. They had these children:

Nathaniel Zebulon Putman born June 1861. In the 1900 Census of Mitchell County he is married to a Mary Jane born in 1860 and a niece, Texie Putnam age 9 is with them. I do not find him in 1910 or later in North Carolina. Texie, by the way, later married Will Yelton. A bit more on Texie. Her mother was Lucinia Hughes, who seems to have had several children out of wedlock with several different folks. My best guess is that Zeb here might be the daddy, and calls her a niece to avoid gossip. But, she might be connected to one of his brothers. She was adopted by Vance and Nancy Slagle when she was 12 years old. Another relative is checking birth and death records, so we may know more on the Eleven O'clock news.

Augustus Merriman Putman born November 22, 1864. I do not find him in 1900, but in 1910 he is in Unicoi County Tennessee with his wife Julia Ann Miller, born in North Carolina on January 3, 1866. The children seem to have all been born in North Carolina, but no states of birth are listed in the 1910 census for them. They were there in 1920 but in 1930 Gus is without Julia and living with his son Webb in Unicoi County Tennessee. Gus and Julia will go out to Michigan themselves and he will die there August 16, 1941 in Adrian, Lenawee County Michigan. Julia was alive at the time, but don't know when/where she died. The children were:

Rose Alice Putman born April 16, 1886. She married Robert B. Moore and the too

Arthur Putman born June 14, 1903. He is an illegit kid whose mom was Ellen Elizabeth Gilley from here in Mitchell County. She was some 30 years younger than Guss who was kinda playing around with the young 'ens in the area. Lizzy then married Linville 'Len' Sheets October 23, 1905 and they raised Arthur here. In 1920 he pops up in Big Creek, McDowell County West Virginia working in a coal mine. He used the last name of Putman which he probably did in 1910 as well, but I can't find him or the Sheets. He married Susan Vance there November 14, 1922 and they are there with 3 kids in 1930. Sue is a daughter of Marion Vance and Rebecca Tiller and was born in McDowell County July 12, 1906.
