Elias Putman

Cleveland County North Carolina

He is a son of Benjamin Putman and Elizabeth Griggs. Elias Putman was born in Bute County, North Carolina in 1771. On December 27, 1796 he married Nancy Roberts, a daughter of Morris Roberts, born September 26, 1774, in Rutherford County. Elias and his family were the original founders of the Zoar Baptist Church located near Shelby, North Carolina. A number of his descendents still live in the area today.

Elias lived on the same farm the rest of his life, but it became a part of Cleveland County when that County was formed. Elias died there on October 5, 1848. Nancy died there on December 4, 1857. Both are buried at the Zoar Church Cemetery.

In the 1820 Census, Elias had 9 sons and 3 daughters. In the listings I have found of his children I get the 3 daughters, but only 7 sons. My problem with this is in connection with a son who has been listed as Drewary Anderson Putman. It is my feeling these are really two sons and a comma got left out of some listing somewhere. They are both about the same age and may very well have been twins and in some old bible both names went with the same date. I am not certain, but I find Drewary or Druary listed in 1840 in North Carolina and Anderson listed in the same year, but in Georgia. This gets me to 8 sons. Perhaps one died or if you look at the census reports that follow you will see Elias was listed twice once with 8 sons and once with 9 sons. At any rate, I am herewith going to treat Drewary Anderson as two separate sons. It is the only thing that makes any sense. I believe both went to Georgia.

Elias and Nancy Putman had the following children, all born in Rutherford County, North Carolina:

Susan Putman

Susan Putman was born on September 28, 1797. She married James Love in Rutherford County in 1824. Susan died on April 27, 1877 in Cleveland County. James died there in 1878. James and Susan had the following children:

ELIZABETH (BETSY) LOVE born February 11, 1820 and died October 15, 1861. She first married Peter Alexander and then Hosea Hollman.

CHRISTOPHER LOVE born in 1825. He was a dentist and surgeon. He married Sarah Champion, and died in 1910. He served in the Civil War.

JAMES INGRAM LOVE born in 1830. He was killed in the Mexican War in 1847.

SUSAN ANN LOVE born in 1831. She married Dr. W. P. Andrews.

THOMAS W. LOVE born in 1833. He was a schoolteacher, and married Elizabeth Logan.

ANDERSON M. LOVE born in 1838. He married Elizabeth Long and was killed in the Battle of the Wilderness in May 1864.

WILLIAM LOVE born in about 1830. He was married three times, and was Mayor of Shelby for two terms.

Willis Putman

Willis was I think the eldest son, born in late 1798 or 1799. His wife was Elizabeth Fanlin. Most of the information on Willis comes from his 1846 will and the 1830 to 1850 census reports.

He was probably married about 1822 or 1823. He was with his folks in 1820 and in Lincoln County, North Carolina in 1830 and 1840. In 1850 Elizabeth is back in Cleveland County with the younger children, and she is there also in 1860.

In his will dated October 24, 1846 and proved after his death in November of the same year, he mentions his brother Barnet to be his executioner. This ties him in with Elias Senior quite nicely.

Willis died on November 8, 1846. Elizabeth was still listed as his widow in the 1860 census at age 57 and died sometime afterwards but before 1870.

Based on the 1830, 1840 and 1850 census and some other data, I list his children as the following:

ELIAS R. PUTMAN was born in Lincoln County on August 11, 1824. He moved to Mississippi in the late 1840s and there married Mary Ann Young. For more information on this family see the section on **MISSISSIPPI PUTMANS**.

A SON PUTMAN born in 1823 or 1825. He appears between the ages of 5 and 9 in the 1830 census and was missing or had died by the 1840 census.

SAMUEL SIMEON PUTMAN was born in 1826. He married Rebecca Copeland on April 17, 1856. He served in the CSA and surrendered at the end of the war at the Appomattox Court House in Virginia on April 9, 1865. He and Rebecca were in the 1870 census with no children.

LORENZO DOW PUTMAN born in 1828. He, like several others in the family was named after the well known local preacher. Lorenzo moved with his brother Eli to Mississippi in the late 1840s. He and his wife Kate lived in Mississippi through his death, and then Kate and some kids moved on to Texas. For details on this family, see the **MISSISSIPPI PUTMANS** section of this work.

JENILLE or **JENILLA PUTMAN** was born in 1830. She married George Quinn on June 7, 1859.

LEROY PUTMAN was born in 1832. He married and was listed in the 1860 Census as Lenny though his name should be Leroy. His wife was Margaret Ann Forbes. He enlisted in the CSA at age 29 on October 1, 1861. He was killed at Gaines Mills, Virginia in the Civil War on June 26, 1862. They had one daughter:

Eliza Ann Putman born in 1856. On May 10, 1877, she married Perry Martin Roberts. She was his second (of four) wife. She contracted T.B. and died shortly afterwards. In the 1880 census, she was dead, but her mother Margaret was still living in the household at age 48.

SOPHIA PUTMAN was born June 10, 1834 and she married Abner Camp on October 28, 1852. They had two children in the 1860 census, and a third born in Mississippi. This family moved to Hunt County, Texas after the Civil War. The children were:

Peter A. Camp born in 1857. He lived in Rush Springs, Oklahoma.

Attie Abner Camp born in 1859.

Kiziah Ann Camp born September 27, 1861. She married John Walker Giddens December 25, 1879 in White Rock, Hunt County, Texas. They moved to Oklahoma in about 1890.

ANDREW PUTMAN was born in 1835. I do not find him in 1860.

ELIZABETH PUTMAN was born in 1837. She married John Costner on March 28, 1854.

KIZEA PUTMAN was born in 1839.

WADE H. PUTMAN was born in 1843. He was 16 in 1860. He enlisted at age 18 on October 1, 1861. He was killed at the Battle of Gaines Mills, Virginia on June 27, 1862 serving for the CSA.

NANCY CAROLINE PUTMAN was born October 15, 1845. She married Perry Martin Roberts on June 17, 1860. She died January 27, 1877. Perry then married Eliza Ann Putman, the daughter of Nancy's brother Leroy Putman. Eliza died in 1877 and Perry then married Lucinda Sanders on January 24, 1878. She died in 1889 and Perry then married Margaret Elizabeth Putman on November 13, 1890. She was a daughter of Marcus L. Putman and Emily Camp. Her children with Perry Martin Roberts (based on the 1880 census, though there might have been older kids) were:

Sidney Roberts born in 1864.

Nora Roberts born in 1866.

Columbus Roberts born in 1868.

Ellen Roberts born in 1869.

Margaret Roberts born in 1870.

Lucinda Roberts born in 1874.

William Putman

William Putman was born in either 1799 or early 1800. His wife was Sarah Miller and they were married in about 1820. Sarah was a daughter of David Miller and Nancy Lambert. William was a blacksmith as were lots of the Putman guys.

The family was in Cleveland County in the 1850 census, but I do not find them in 1860 in North Carolina. He was 51 at that time and Sarah was 45 years old.

As near as I can figure, they had the following children:

SAMUEL L. PUTMAN was born about 1821 in North Carolina. He married Winnie (Winifred) Long in the early to mid 1840s. Winnie was born about 1827 and was a daughter of Bromfield and Jency Long. Their first child was born in 1846. They first appear in the Cleveland County 1850 Census with three children. Samuel and Winnie were in the 1870 census, but only Winnie, then 58, made the 1880 census, still in Cleveland County. There was a dual listing in 1880, as both Sam and Winnie were also listed in Spartanburg County, South Carolina in 1880. Based on census reports, their children were:

Perry Green Putman born in December 1846. He enlisted as a private in the CSA at the Orange Court House in Virginia at age 18 on April 18, 1864. He was wounded in the head and eye at Wilderness, Virginia May 5, 1864. He was returned to duty prior to July 1, 1864. He was then captured at Fort Stedman, Virginia on March 25, 1865. He was confined at Point Lookout, Maryland until release on June 16, 1865 after taking the Oath of Allegiance. In 1870 he is shown living next to his father with his wife Susan M. Waters. He is then 24 and she 23. They are in the 1880 census with these children: Augustus, Emparo, Amanda and John S. They were then living in Gaston County, North Carolina. In 1900, they were back in Cleveland County. In 1910 he and Susan have moved to Portsmouth, Virginia to be with two of their kids. She died in Portsmouth Virginia in August 1912. Perry died in Nash County North Carolina January 24, 1920. Based on census reports and other info, their children were:

Augustus S. Putnam born in September 1869. He married Laura Sides on May 3, 1890 in Lincoln County. He then married Martha J. Russ on December 18, 1892, and then Ella Huntley in Rutherford County on December 13, 1894. They were in Boiling Springs, Cleveland County in 1900. I don't find him in 1910, but Ella and the first 3 kids are in Gaston County in 1910 and she says she is widowed. But in 1920 Augustus is in Washington DC. He has a young wife Etta born in 1891 and two kids born in Virginia. Divorce I would guess. By 1920 Ella will have remarried to Avery G. Badger and they and Goldie are all in Gastonia then. Augustus will be in Washington till he dies. His burial date is March 2, 1931. Kids were:

Maud A. Putman born North Carolina in 1897. She was married to Timothy Webb in Gastonia in 1920.

Effie Putman born in North Carolina in 1900.

Goldie Putman born in North Carolina in 1905. She was with her mom and stepfather in 1920. In 1930 she was still at home, but had married a man last name Glenn and had had a son Boyce. The husband wasn't around though. She was married in 1922.

Herbert E. Putman born in 1909 in Virginia with the last wife Etta.

By 1910 through 1930, Laura and the kids are in Rocky Mount Edgecombe County, but John is remarried to a Dora and is in Washington DC in 1920. I understand he just took off on her and left her with the kids. His children were:

He then married Lena Pauline Elmore July 11, 1903. She is with him in 1910 and 1920 in Gaston County, North Carolina. They are back in Cleveland County in 1930. Then it seems he was married to Joyce Elizabeth Fairchild by 1933. Lena didn't die until January 28, 1948, so they must have gotten a divorce. The children were:

Walter Bryan Putnam born June 9, 1896 and died November 9, 1942. He married Docia Harriett Mauney on October 17, 1915 in Cherryville, Gaston County. The cause of death was not listed, but it was a pretty grim prison and many just died of disease. I do not know what happened to Sarah and the rest of the kids after that. In 1870 there was a Sally Putman, age 44, living with a Miller Family, but none of the kids were with her, so not certain if they were the same Sarah. In 1860 they had:

He is with his son Robert in Catawba York County South Carolina in 1910. His wife Hester is with her other son Henry and his sister Sally in Catawba York County in 1910. Must be a divorce of sorts. Elias Putman Jr.

This Elias, one of many with the name, was born about 1806. He married Nancy Weston (Wesson) on June 9, 1831 in Rutherford County, North Carolina. The marriage license was witnessed by his brother, Willis Putman. They appeared in the 1840 census of Rutherford County with three sons and two daughters.

Elias died about 1841 and Nancy appeared as a widow in the 1850 census. She was granted widow's rights January 1, 1842, and this is why we think he died in late 1841. In February of 1850, Nancy was granted guardianship of the children (page 208 of the Court Records) and in August of 1851 she was named again (page 251) and this time the minor children were listed by name.

In 1860, Nancy and some of the children were listed in Cleveland County and she was 49 at the time. She was listed in 1870, age 60. In 1880 she is 70 and living with her son William and his family. She probably died in the 1880s.

The children of Elias and Nancy were:

ZINEY PUTMAN born in 1831 per the 1840 census, but as she was not in the 1850 census, I do not have a name. She was either married or had died by 1850 and was not listed in the guardian appointment. I assume that she was married by that time. According to Jim Putnam, her name may have been Hildy. I think she may be Zinny Putman who married the Reverend John Henderson Bowen in 1849 in Cleveland County. Their first child was named Elias Alexander Bowen. If so, they moved to Itawamba County, Mississippi and were there for the 1860. If this is the case, the kids were:

Elias Alexander Bowen born in NC April 1850.

Emily J. Bowen born in NC in 1852.

Martha A. Bowen born in NC in 1855.

Henderson Roberts Bowen born in NC January 1, 1857.

Sarah Elizabeth Bowen born in MS September 12, 1863.

MARCUS L. PUTMAN born July 13, 1833 and died June 5, 1900. He married Emily Jane Camp on May 24, 1855 in Cleveland County. Emily was born September 30, 1836. There were no children born in the time frame of the Civil War, but I do not find any service records on Marcus, and don't think he served as he was listed as an invalid in the 1850 census. He and Emily were still in Cleveland County in the 1900 Census, both in their sixties. I do not find them in 1910. Their children, based on the 1880 census, were:

Charles Franklin Putman born February 21 or 24, 1857 and died May 22, 1941. He married Elizabeth Jane Kendrick in Cleveland County on October 30, 1881. Elizabeth was a daughter of Larkin Kendrick and Elizabeth Jane Martin. She was born August 7, 1858 and died September 17, 1936. In 1900 he and Elizabeth have these children listed. They are still here in 1930 in their early seventies. Children were:

He was wounded in the right leg at Globe Tavern, Virginia on August 21, 1864. His right leg was amputated and he was retired from service on January 28, 1865. He was captured at the hospital in Richmond, Virginia on April 3, 1865. He swore the Oath of Allegiance on May 28, 1865, but probably remained at the hospital for a bit. He married Nancy Ann Wesson in Cleveland County on January 2, 1866. In 1880 he is listed with Nancy and five children. In 1900 he is in Gaston County with Nancy and three more children. He died in August 1900. Based on these returns, the children were:

Nancy L. Putman born in 1867.

Mary E. Putman born in February 1870.

He joined the CSA at age 19 on December 9, 1861 and served in the 15th Regiment until January 15, 1863 when he was transferred to the 49th Regiment. He deserted or surrendered on February 15, 1865 and was confined in Washington, D.C. on February 21, 1865. He remained there until the end of the war and the taking of the Oath of Allegiance (no date recorded). I find him in 1870 in Prentiss County, Mississippi living with George Blanton. In 1880, there is an A. J. Putman, a widow, who may have been his wife. There was a daughter:

E. L. Putman born in 1874.

JAMES CRATON PUTMAN born December 1852. From 'local sources', I have it that he was an illegitimate son of Nancy Wesson. I'm sticking him here, as he is part of this family. He married Amanda Wesson on December 7, 1871. They are in Cleveland County in 1880 and Gaston County in 1900. By 1910, they are in Cherokee County, South Carolina. He died there in South Carolina in June 1918. His death certificate gave his middle name. Amanda, a widow then, was with her son Audie in Charlotte, North Carolina in 1920 and with a grandchild in Charlotte in 1930. Amanda died in 1935. Their children were:

Mary Alice Putman born in October 1875. She married William Goings.

Cyrus Wilburn Putnam born July 5, 1923. He lived and worked in Charlotte and died there September 5, 1979.

Burgess Nicholson Putnam born March 6, 1925.

Elizabeth Putman

Elizabeth Putman was born March 18, 1808. She married Joseph Hardin in Rutherford County on November 19, 1828. She died March 18, 1858 on her birthday it seems. In the 1850 census of Cleveland County, the children then were:

WALTON HARDIN born 1829.

WILLIAM PENN HARDIN born 1831. At home in 1860.

ANDERSON HARDIN born 1833.

EMILINE HARDIN born 1835.

JUDSON HARDIN born 1836. At home in 1860. I believe he married Roxanne Putman on August 16, 1860 in Rutherford. At least a D. J. Hardin did marry her then. She was a daughter of William and Sarah Putman.

JULIA ANN HARDIN born 1838.

HAMILTON HARDIN born 1840.

ELI HARDIN born 1842. He was home in 1860.

ELIZABETH JANE HARDIN born 1843. She was at home in 1860.

Griggs Putman

Griggs Putman was born in 1808, according to his tombstone. His wife's name was Louisa and they were married in Rutherford County in 1830.

He died in Cleveland County on September 13, 1850. I have really nothing on her at all.

Griggs and Louisa Putman had the following children:

ABBY C. PUTMAN born in 1832. She married James Jarrett in Cleveland County on January 22, 1857. In 1860, they are in Buncombe County and her brother James is there as well.

JOHN LANDRUM PUTMAN born in 1835. He enlisted in the C.S.A. in Cleveland County on April 27, 1861 at age 27. He was mustered in as corporal, but reduced to private in September 1861. He died of disease at Yorktown, Virginia on November 4, 1861.

JAMES THOMAS PUTMAN born about 1838. He was at home in 1850 and in 1860 was listed at home and a student, and was also listed in Buncombe County, North Carolina with his sister Abby Jarrett. He served with the CSA in the Civil War, joining at age 23 on April 27, 1861. He died of pneumonia in an Army hospital in Petersburg, Virginia on July 27, 1862.

ALEXANDER COTESWORTH PUTMAN born in 1841. He enlisted in the C.S.A. on May 5, 1862 at the age of 21. He served in three regiments before being captured at Sharpsburg, Maryland on September 17, 1862. He was released on September 20, 1862 at Keedysville, Maryland and returned to duty. Jenilla Putman

Jenilla Putman was born May 5, 1809 and died unmarried August 16, 1855.

Anderson Putman

Anderson was born in 1814. Sometime in the 1830s he traveled to northwestern Georgia and settled in Murray County. There he married Jane McGill on May 15, 1837. Jane was a daughter of John McGill and Rebecca McKinney. John McGill died February 12, 1819 and Rebecca

moved with her children to Murray County, Georgia. That's where they met.

He first appears in the Murray County census in 1840 with two young children probably Nancy and John. He and Jane are shown in their 20s and there is an older woman who turns out to be Jane's mother, Rebecca McGill.

In the 1850 census, we get a listing of his children and Rebecca, then 78, is still with them. Also there is a Sarah who may be the widow of his brother Druary.

In 1860 they were just north over the border in Polk County, Tennessee with two more kids. At the end of the listing was Rebecca McGill with a line drawn through it. I believe this means she was listed, and then would be 88, and died very shortly afterwards and the line drawn through.

In 1870 and then in 1880 the family is back in Murray County, Georgia with Anderson 66 and Jane 64. At home are two girls, Jinnila and Loucinda. Jinilla was a daughter but I am not certain about Loucinda. She was not listed in any census reports and may have been a niece or somesuch.

Based on the various census reports, I think the children were:

NANCY E. PUTMAN born in 1839. She married Joseph P. Dunn and was living in Murray County in 1880. Her sister Ellen was with her.

JOHN OSBORNE PUTMAN born in August 1840. He was 20 while the family was in Tennessee in 1860 and then headed to Texas. He appears in the 1870 census of Rusk County, Texas at age 30 with a 19 year old wife, Mary E. Pitner born in Texas. They were married there on June 30, 1867. They will remain in Rusk County through the 1900 census. Mary died in the 1890s and John was 59 at the time. Based on census returns, the children were:

William H. Putman born in April 1868, and is living alone in Rusk County in 1900 through 1930. He never married.

Cora L. Putman born in 1870. She married W. A. Stewart in Gregg County, Texas on April 3, 1894.

Maude Putman born in 1872.

Anderson Harve Putman born February 12, 1875. I do not find him in 1900 or 1910, but he is in Rusk County in 1920. He has a wife Jessie who was born November 6, 1881 and died February 11, 1956. Harve died March 9, 1956. They were married in 1903.

They had several children including:

Mary E. Putman born in 1907.

Anna L. Putman born in 1910.

Johnnie Putman a daughter born in 1914.

Anderson Harve Putman Jr. born in 1917 and died in 1970. He married an Ina November 16, 1941.

William R. Putman born in 1919.

Louella Putman born in 1882 and home in 1900.

SUSAN A. PUTMAN was born in 1844.

HARRIETT A. PUTMAN was born in 1846. She married Melville Whitmore in Murray

County on July 2, 1871.

JINILLA CATHERINE PUTMAN born in 1849.

JANE LUCINDA PUTMAN was born in 1853. She married D. F. McMahan in Murray County on January 4, 1883.

ELLEN PUTMAN was born in 1860. She married George McMahan in Murray County October 21, 1888.

Druary Vance Putman

Druary Putman was born about 1815-1816 in Shelby, North Carolina. In one source, I find that he married Sarah Spake in Rutherford County on May 11, 1837.

There is a D. Putman listed in Rutherford County in the 1840 census who is him. At that time he and his wife were in their 20s with a young son. Then I find nothing more of him in North Carolina. He died in about 1845 or 1846.

In about 1847, Sarah married John B. Scoggins and they had five children: Margaret V. Scoggins born in February 1849, Mary J. Scoggins born in 1852, Eli Scoggins born in 1854, Virginia Scoggins born in 1856 and Sarah Scoggins born in 1858.

Druary and Sarah's children were:

JAMES WEBSTER PUTMAN born June 7, 1838. He married Martha Reed on May 3, 1858 in Shelby, Cleveland County. Martha was born in March 1837. In 1860 he is with his wife Martha in Cleveland County with one child. They are in the 1870 census of Mitchell County, North Carolina with three children. James Webster was a Baptist Minister and circuit rider. He served as a 2nd Lt. in the Confederate Army during the Civil War and was a Chaplain for the Infantry. He enlisted as a private on May 17, 1862, and was in Captain Jacob Bowman's North Carolina Rangers. He became a sergeant on March 1, 1863 and a 2nd Lieutenant on July 22, 1863. He was severely wounded in the leg, hip and arm on September 20, 1863 at Chickamauga Georgia. He received a pension for this in 1905. He died in Bakersville, Mitchell County on September 24, 1914. I do not know when Martha died. They had these children:

Nathaniel Zebulon Putman born June 1861. In the 1900 Census of Mitchell County, he is married to a Mary Jane born in 1860 and a niece, Texie Putnam age 9 is with them. I do not find him in 1910 or later in North Carolina. Texie, by the way, later married Will Yelton. A bit more on Texie. Her mother was Lucinia Hughes, who seems to have had several children out of wedlock with several different folks. My best guess is that Zeb here might be the daddy, and calls her a niece to avoid gossip. But, she might be connected to one of his brothers. She was adopted by Vance and Nancy Slagle when she was 12 years old. Another relative is checking birth and death records, so we may know more on the Eleven O'clock news.

Augustus Merriman Putman born November 22, 1864. I do not find him in 1900, but in 1910 he is in Unicoi County, Tennessee with his wife Julia Ann Miller, born in North Carolina on January 3, 1866. The children seem to have all been born in North Carolina, but no states of birth are listed in the 1910 census for them. They weren't indexed in

1920, but in 1930 Gus is living with his son Webb in Unicoi County, Tennessee. Most of the kids moved out to Lenawee County Michigan in the 1820s. Gus and Julia moved out the about the first of August 1941. He died there in Adrian, Michigan two weeks later according to his obituary in the Adrian Daily Telegram of August 16, 1941. He was survived by his wife Julia, daughters Rose Moore, Sallie Tipton, and Ellen Jarrett, and his sons Frank and Webb of Adrian and his son Fred who was still living in Neva, Tennessee. The children were:

Rose Alice Putman born April 16, 1886. She married Robert B. Moore.
