Willis Putman

Cleveland County North Carolina

Willis appears to be one of the eldest children of Benjamin and Elizabeth Putman. I place his birth to be about 1770-1775 and it would have taken place in what was then Bute County, North Carolina.

Willis received two land grants on December 22, 1798. One for 100 acres on the Rocky Branch of Sandy Run, and the other for 100 acres on Beaver Dam Creek. Both were in Rutherford County.

He married Martha Rogers in 1798 in Rutherford County. He seems to have remained in the same general area until his death in 1845. He died and is buried in Cleveland County, but Cleveland was formed out of Rutherford County. Martha was living with her daughter Elizabeth in 1850 at age 70. She lived on into the early 1850s. She was in her 70s when she died.

Willis and Martha Putman had the following children:

Elizabeth Putman

Elizabeth was born in about 1798 and was the eldest child. She married William Branton in Rutherford County.

In the 1850 census of Cleveland County, North Carolina they were listed with William age 70 and Elizabeth age 53 and seven children at home. Mother Martha was there as well.

Elizabeth died May 6, 1856 in Cleveland County.

The children in the 1850 census, all born in Rutherford (now Cleveland) County, were:

NICEY BRANTON She was married before the 1850, but I got this info from a descendant. Nicey was born October 10, 1818 in Cleveland County, NC and died October 3, 1898 in Jackson County, NC. She married David Connor. He was born January 26, 1817 and died January 6, 1896 in Jackson County. He was the son of William and Hannah Connor. This comes from the David Connor family bible. They had these children:

Susan Connor born May 28, 1839 and died April 24, 1929. She first married David Dills and later William Allison Sherrill.

Louisa Connor born February 21, 1841 and died August 26, 1918 in Swain County, NC. She married Alfred Washington Parris February 1, 1859 in Macon County, NC.

Marcus Lafayette Connor born February 10, 1843.

Mary Ann Connor born February 4, 1849.

Elizabeth Jane Connor born June 11, 1851.

JAMES BRANTON born in 1822.

SARAH (SALLY) BRANTON born in 1827.

DAVID BRANTON born in 1831.

SUSAN BRANTON born in 1829. The way she was listed after David might indicate she was his wife rather than his sister. Not sure.

THOMAS BRANTON born in 1833.

MARY BRANTON born in 1835.

JOHN BRANTON born in 1838.

Benjamin Putman

Benjamin was born in Rutherford County on November 14, 1802 or according to other sources on November 12, 1803. He married Margaret Branton in 1827 in Lincoln County, North Carolina. Margaret was born April 13, 1812.

They may have moved or more simply the County changed to Cleveland County in 1841. They were both charter members of the Capernaum Baptist Church, which was founded on July 9, 1842.

Benjamin died on March 26, 1877 and Margaret died on March (April) 8, 1897. Both are buried at the Capernaum Church Cemetery in Waco, Cleveland County.

Sally, or probably named Sarah, was born in 1803 and died in 1858. According to Thomas Russell Putman, Sally married and had nine children. This is the only source of information that I have on her.

John Putman

John Putman was born in Rutherford County in 1806. He is shown in the 1840 census of Lincoln County, North Carolina with several of his brothers. In 1840 he had two daughters.

He next appears in the 1850 census of Ware County, Georgia. He is shown as John Putman, born 1806 in North Carolina and his wife was Eliza born in North Carolina in 1812 with six children all born in Georgia. This is a mistake as Phoebe and Elizabeth were born in North Carolina.

I do not find him in 1860 anywhere. Based on the 1850 census, the children were:

PHOEBE PUTMAN born in 1834

ELIZABETH PUTMAN born in 1837

JOHN PUTMAN born in 1842

WILLIS PUTMAN born in 1846

ELIZA PUTMAN born in 1847

JAMES PUTMAN born in 1849

In the 1880 census of Gonzales County, Texas, there is listed a John Putman age 60 or possibly 69 born in North Carolina with two sons, J.C. and J.E. Putman born in the 1840s. This most likely would be him.

Elias Putman

Elias Putman was born December 2, 1800. He married Rachel Poston November 13, 1834.

Rachel was born June 13, 1808 and she died July 27, 1841. She was a daughter of Samuel Poston and Rachel King of Rutherford County. For those interested, I have more info on the Poston family that was sent to me.

Elias Putman died in Cleveland County November 26, 1859 and both are buried at the Zoar Cemetery in Shelby, North Carolina.

As you will soon see, there were a number of Elias Putmans in Cleveland County about the same time. It was particularly hard to determine which Elias was a son of Willis and which was a son of Elias Putman. Jim Putnam in Atlanta came across a letter from the Cleveland County Clerk's office dated June 19, 1947 which firmly stated that, *"Willis Putman had a son named Elias ...and this Elias married Rachel Poston and three children were born to them, Deveny, Samuel and Rachel."*

Elias and Rachel Putman had the following children:

JOSEPH DEVANNEY PUTMAN born September 3, 1835. He enlisted in the CSA as a private at age 26 on June 9, 1861 in Cleveland County. He was promoted to corporal in May 1863 and served through the War. He surrendered at the end of the war at the Appomattox Court House in Virginia on April 9, 1865. He married Susan Rosilla Davis on June 22, 1852. Susan was a daughter of Zachariah Davis and Mira A. Webb. She was born in 1834 and died in 1880. He later married Roxanna Jane Weathers on September 20, 1882 and had eight more children. Joseph died in 1904. The children began to use the spelling *Putnam*. The children with Susan were:

Rosal Anna Moore born in 1877.

She died July 9, 1904 and he married Lillie Lee Sheppard in about 1906. He died August 6, 1943. There was one child in the first marriage:
