He owned several hundred acres where Indian Castle stood, in the town of Danube. He married in January of 1795, to Catharine Schall, in Stone Arabia. Catharine was from Danube. They moved to Illinois in 1818, where he died of "Yellow fever." Their daughter, Catharine, born in 1802, was perhaps the only one of the children who accompanied them to Illinois. Another daughter was born in Illinois, and the mother was expecting a child at the time of Gilbert's death. She and her two daughters started their trip back East, but she died in childbirth in Kentucky. The baby died also, and Catharine returned to New York bringing her younger sister with her." Putman, and Jacob Graff. Indenture of 21 October, 1818, between Abraham Akins, and Asenath, his wife, and Jacob Graff and Eben G. Putman,... in consideration of \$1000.00,.. land in the town of Johnstown, Montgomery County, New York. A part of lot 111, in the western patent allotment of the Kingsborough patent. ... 45 acres excepting 5 acres in the south east corner.. belonging to Prudence Mathews. Indenture of 7 March, 1829, between Joseph Packard of the first part, Daniel Cady of the second part, whereas Jacob Graff, and Sarah, his wife, Fben G. Putman, and Rebecca, his wife, of the first part, and Abraham Akins of the second part... lot # 411 in the western allotment of the Kingsborough patent.. west to the corner of land of William Allen.

!1830 census: Salisbury, Herkimer County, New York. Eben G. Putman was listed with 2 males under 5, 2 males 5 to 10, 1 male 10 to 15, and one male 40 to 50. (Eben) also: 1 female under 5, 1 female 5 to 10, 2 females 30 to 40.

!I would suggest that the family consisted of Ebenezer G. 42 NY. His wife, Rebecca 37 NY. Their two daughters and five sons, and Eben's sister, Sally 37 NY, a widow whose husband died in April of 1829. There is also the possibility that some of the children were born to Sally and her husband.

!1831: Ebenezer appeared as a witness on the part of his brother, Lodewyck, in the hearing of Margaret McVean's petition for her legacy from John L. Putman, her grandfather. (She was the daughter of Hannah.)

!Birth and death:: Evergreen Cemetery Reading; p 45; Montgomery Historical.

!1850 census: Palatine Township, Montgomery County, New York, p 299. Philip is listed as 60 NY. His wife, Elizabeth, is 50 NY. Their children are: Margaret 41 NY, Archibald 30 NY, Stephen 24 NY, Jacob 22 NY, and Peter 15 NY.

!Frothingham, W.; "History of Montgomery County"; 1892; p 111; Montgomery Hist. Quote: "Philip V., son of Victor, born in Root, November 20, 1791; married Elizabeth Kring. They had seven sons and two daughters. He was a hatter by trade, also a cloth dresser. He died August 19, 1859. Wife died February 22, 1856. Soldier in War of 1812; moved to Palatine in 1833." End quote.

!NOTE: If in fact, they had seven sons and two daughters, as Mr. Frothingham indicates, then we need to search out three more sons. The other thing we must address is the birth year of Elizabeth. I believe the census has to be wrong about her age of 50, which would indicate a birth year of 1800, as her daughter, Margaret, was born in 1809. The census has to be in error. (W.T.P.)

Notes for David Putman

!Jeannie Germain, 10224 Janet, French Camp, California 9531

!"The Putman Family Bulletin", September/October issue, page 2. Jeanne Germain is looking for the ancestry of David Putman, who was reported to have been born in the town of Amsterdam, NY, in 1795. Possibly, David's parents were Jacob Putman, and Elizabeth McCarthy. In about 1815/1818, David married Ann, who was born in the town of Florida, Montgomery County, New York, in 1797. Ann may have been a Vrooman by birth. David and Ann lived in several places; Beginning with the town of Florida, then about 1820, in Saratoga, then by 1830, to Syracuse, then to Albany, and then about 1858, and then back to Syracuse. David died about 1858, and Ann died 30 May, 1875, reportedly at the age of 80. They both were buried at Lobi Cemetery, but relatives later removed their remains to Oakland Cemetery, in 1902. It is interesting to note that at the time of their reinterment, the next of kin were France Putman, and Mary McCarthy. They are known to have had at least 6 children born to their union.

Notes for Solomon Putman

!IGI; LDS; Sept., 1981; p 12,894; Listed as father of Benjamin, and others.

!1810 census: Litchfield, Herkimer County, New York; p 457 2 males under 10; 1 male 26-45; 4 females under 10; 1 female 26-45. This indicates that there were six children under the age of 10, in 1810, presumably born in Herkimer County, NY.

!1820 census: Litchfield, Herkimer County, New York; p 37. 2 males under 10; 1 male 26-45; 1 male over 45; 4 females under 10; 2 females 10-16; 1 female 16-26; 1 female 26-45. This indicates that there were 9 children born by 1820. The male over 45 is probably the father of one of them.

!1830 census: Litchfield, Herkimer County, New York; p 191 .

!1840 census: I could not locate Solomon on any index.

!Note: The above Solomon, is the only Solomon Putman/Putnam listed in any of the federal census reports for the State of New York, from 1790 through 1860.

Notes for Margaretha Walrath

!IGI; LDS; Sept., 1981; Listed as mother of Benjamin, and others.

!Note: Margaretha is listed several times in the above records as mother of the children being baptised, and as wife of Solomon. Mrs. Bette Bradway, C.G., who has done research on Solomon and Margaretha, is inclined to believe, as I do, that Margaretha was a "Walrath by birth." We both base this on the fact that all but one of their children, whose records we have located, have a Walrath as a baptismal sponsor. The single exception being Elizabeth Van Campen, who may later prove to be closely related to the Putman and/or Walrath families as well. [Warren T. Putman]
