

UPDATED AUGUST 25, 2012

THE GERMAN PUTMAN FAMILY

Philip Jacob Buttman of Maryland

In addition to our English Putnam/Putman families, there are two other large groups of Putmans in America: one German and one Dutch. This is a brief early history of the German Putman Family in America.

As with our family, many early settlers in America could not read nor write and their names were recorded the way the sounded to county court clerks who wrote up the early deeds and other papers. It seems that the German Putmans descend from a family in the German Palatinate originally spelled Boutemont which was French and then later 'Germanized' to Buttman, and then 'Anglicized' in America to Putman as the German B sounds like the English P. Boutemont was pronounced Bootmon which changed quickly to Putman here.

The first of the family to come to America was Andreas or Andrew. He came on the ship *Osgood* and landed in Philadelphia on September 29, 1750.

On September 25, 1751 Philip Boudemont arrived in Philadelphia on the *Phoenix* from Rotterdam by way of Portsmouth, England.

Based on a great deal of research by Dick Heller of Mission, Texas and Patricia McKinna of Houston, Texas, Bettie Cornell of Frederick, Maryland, and Bill and Betty Eynon we are able to begin to sort out the early history of this family.

The Boudemonts were French Huguenots that had fled just across the border into Germany in the 1600s. The name was originally Boutemont and that was changed into the more Germanic spelling like many others in the Palatinate area of Southwest Germany on the French Border.

The earliest member of the family we can trace was Jacob Boudemont.

JACOB BOUEMONT

Jacob was born about 1660 in northern France. He married Jeanne Daudigny in Chevennes, Aisne, Picardie, France. They had a daughter Jeanne born July 8, 1678 there. They left France for Germany in about 1680. They left France because their Huguenot beliefs were not accepted by the then French king. They settled near Rohrbach, Pfalz, Germany and seem to have remained there the rest of their lives.

Jacob had at least one son, Phillip.

PHILLIP BOUEMONT

Phillip Boudemont was born in Muhlofen in the German Palatinates near Rohrbach on July 28, 1685. Phillip was married to Maria Magdalene Buchell in about 1707 in Rohrbach. They lived in Rohrbach, Kreis Berggzabern, Germany. Phillip died in Rohrbach January 27, 1762. Maria was born in 1686 in Minfeld and died in Rohrbach March 5, 1741. This information comes from Betty Eynon. Phillip and Mary Magdalene Boutemont had four children:

MARIA MAGDALENA BOUEMONT born February 14, 1710.

PHILLIP JACOB BOUEMONT born in December 1711, christened December 25, 1711. He is covered next.

ANDREAS BOUEMONT born in June 1716, christened June 10, 1716. He too is covered shortly.

JOHAN PHILLIP BOUEMONT born and christened August 4, 1722. He married Anna Catharina Gebauer in Rohrbach June 10, 1749. He remained in Rohrbach until his death on November 3, 1792.

PHILIP JACOB PUTMAN of Maryland

Philip Jacob Boutemont (Putman) Junior was the eldest son and was born in December 1711 in Rohrbach, Germany. He was christened on December 25, 1711. He came to America in 1751, a year after his brother Andreas. He arrived on the ship *Phoenix* in Philadelphia on September 25, 1751. He then moved to Frederick County, Maryland.

According to a researcher, Philip was married in Germany on October 21, 1738 to a woman named Maria Elizabeth.

He settled in the Middletown Valley of Frederick County, Maryland. I have no little other information on him. The following is a list of who appear to be his children. Many researchers, including myself, feel that the Peter Putman in Hampshire County, Virginia (West Virginia now) was also a son.

A book of Maryland Wills lists a will of Philip Putman in Washington County on February 10, 1790. However, when I wrote the clerk in Washington County, Maryland, they said there was no such will. I'm still searching. It would hold some answers. The abstract lists his wife Anna Mary or Maria, sons Peter and John and daughter Magdalena. But, I know he had a Philip junior, but maybe he wasn't listed as he had already taken over the family farm.

At any rate here are who seem to be Philip's children.

Peter Putman

Peter Putman was born on January 12, 1740. He married Mary Goode, a daughter of Jacob Good (Goode). Mary was born in Virginia on May 14, 1745.

The first records we find on Peter Putman are in the early 1770s when he appears in Hampshire County, Virginia with a large family. According to one researcher, Peter was in Hagerstown, Washington County, Maryland prior to coming to Hampshire County. This man, Charles Doll,

went on to state that Peter was a banker there. Even if he was or wasn't a banker, he did lend out money and take back mortgages.

The first written reference to Peter Putman is a land record recorded in Hampshire County on November 14, 1775.

In 1779, Peter Putman received a land grant in Hampshire County. He is listed on the 1782 tax rolls for the county. And, in the 1790 census he is shown with a family of twelve total. Several of these were probably the families of his two sons, as I think he only had eight children that I am aware of.

He was a wealthy man who lived near Romney, West Virginia (Virginia at the time). In 1784, Joseph Hanks, the grandfather of Nancy Hanks Lincoln (Honest Abe's mother), mortgaged his farm, where Nancy was born, to Peter Putman for twenty-one and some odd pounds. Hanks forfeited this property to Peter Putman when he took his family and moved to Kentucky.

Peter Putman died on August 11, 1795. His estate was settled in 1797. Mary lived on and died in Hampshire County on November 16, 1815. She was living with her son Jacob in 1810 on the old homestead. I have rough information on his nine children.

JACOB PUTMAN seems to be the eldest child. He was born in Hampshire County on January 12, 1759. I have information from several descendants that he married Rachel Adams on February 8, 1811 in Hampshire County. If this is the case, then he had an earlier wife, as in 1810 he had a wife and a daughter under the age of sixteen. Rachel was born on May 8, 1776. She was a daughter of John and Catherine Adams of Frederick County, Maryland. The family moved to Hampshire County, Virginia in the late 1780s. It was here she met and married Jacob Putman. He is the only one to remain in Hampshire County when the rest of the family moved out to Ohio. He took over his father's farm and had his mother living with him in the 1810 census. The 1810 Virginia census shows he and his wife between 26 and 45 and a daughter under 16. As this was prior to his marriage to Rachel, this must have been a first wife and Rachel was wife number two. Also in 1811, he would have been 52 and Rachel 34. This is old for both, and it would seem both had been married prior to their marriage in 1811. On the other hand, the 1811 date may not be correct. I really don't know what was the case. By the 1820 census of Hampshire County, he was in the over 45 age group and there was another male with him in the same age group. His wife was in the 26 to 44 age group, and there was another woman in the 26-44 age group. This may have been a brother or sister and their spouse. In 1830 he was shown in his sixties and Rachel is shown in her forties with two sons. One of these sons is the Jacob Putman who appears in the 1850 census. I don't know who the other was. Jacob wrote his will on August 26, 1833 and it was proved on August 24, 1835 and fully settled on October 26, 1835. Rachel was still alive at the time the will was written. When his will was made in 1833, he referred to his devoted wife Rachel and son Jacob. On September 7, 1835 Thomas Daniels, a cousin, was appointed guardian of young Jacob Putman. I don't know why this happened as Rachel was still alive. She then married Charles Cresap who was born in Maryland on April 22, 1835. They appeared together in the 1850 Hampshire County census. Charles must have died in the early 1850s, because Rachel was in Iowa at age 78 in 1860 living with her son Jacob. The only two children I think I can name are:

Catherine Putman born in the late 1790s. She married Samuel Cox in neighboring Berkeley County, Virginia on January 16, 1816.

Jacob Putman was born on April 4, 1822. He married Mary Ellen Edmundson in Allegany County, Maryland June 22, 1842. Ellen was a daughter of Thomas Edmundson and Anastasia Slagle, and was born March 16, 1822. The family moved to Washington County, Iowa in about 1854. They lived in Marion Township, about seven miles from Washington, Iowa. They had nine children. Jacob died in July of 1894 and Mary Ellen died in March of 1883. Their children were:

Rachel Putman born September 11, 1843 and died November 11, 1914. She married William G. Gamon on November 20, 1867. They had six children:

Stacy Putman born in 1874. Stacy married Peter Powellson and latter married Alfred Hillhouse.

Indiana Putman born in 1877. Indiana married Frank Brinton.

PETER PUTMAN JR. Peter Jr. was born about 1770 and married a woman named Suffiah or Sophia. A descendant believes her maiden name was Neu. In the 1810 Virginia census he is shown as between 26 and 45 years old as was his wife. They had three children; a son under 10 and another son between 10 and 16 and a daughter between 10 and 16. In the 1820 Hampshire County Census, Sophia is shown as a widow over the age of 45. One son in his 20s is still at home. I do not know who the children were. I do not find this family again in either West Virginia or Ohio. I will, however guess that the daughter was Mary Ann who was married about 1811 or 1812. Based on the fact Peter had a daughter in 1810 and none in 1820. Then based on an obituary of Mary Ann, I get her life and then near her tombstone in Wisconsin was another marked "Jno. J. Putnam died June 5, 1856, aged 54 years 11 mo 2 days, born Hampshire County, Virginia." I guess these could be the two children of Peter and Sophia Putman. *However*, I have from another source that Jacob was a son of Philip Putman Senior with the exact same birth date, so I am *tentatively* listing him there. The children were:

Mary Ann Putman born March 31, 1795. She married very young to John Jesse Dawson and had two children. John was killed in fighting in the War of 1812 in 1815 at Norfolk, Virginia. In April of 1817, she married a widower with seven children, Adam Fleek also of Hampshire County. They then had another eleven children together making a grand total of twenty children. In September 1836, they moved to Newark, Licking County, Ohio and in the fall of 1846 moved to Green County, Wisconsin. They settled in Brodhead and remained there all their lives. Adam died there in 1845 and Mary Ann died there November 19, 1882 at age 87. The children as best I can determine were:

Elmira Ann Dawson born April 17, 1813 and died March 15, 1899. She married Samuel Northcraft in Virginia.

John Jesse Dawson, jr. born September 15, 1814 and died September 12, 1895.

Edmund T. Fleek born January 20, 1817 and died in Green County, Wisconsin May 29, 1889. He married Sarah Ann Bowen June 18, 1849 in Brodhead, Wisconsin.

Benjamin H. Fleek born in Virginia October 27, 1817 and died in Wisconsin January 3, 1883. He married a cousin, Susan Fleek in Ohio on February 22, 1841.

Reuben G. B. Fleek born in Virginia May 31, 1822 and died in Wisconsin in 1904. He married Ann Maria Bowen May 28, 1849 in Brodhead.

Lucy Ann Fleek born in Virginia in 1824. She married Jared I. Bowen October 7, 1849 in Wisconsin.

Melvina Fleek born September 1828. She never married.

Jerome Bonaparte Fleek born August 23, 1830 and died in Decatur, Green County, Wisconsin February 19, 1899. He married Margaret Hightshoe June 27,

1858 in Wisconsin.

Armeda Fleek born in Virginia in 1833. She married Gurdin Gardener in Wisconsin June 22, 1865.

Martha Ann Fleet born in Virginia in 1835. She married J. T. Snyder.

Mary Ellen Fleet born in Ohio in 1837.

John Jacob Putman born May 3, 1801. He married Magdalene Fleek on March 24, 1824. In the Moore Cemetery in Decatur, Green County, Wisconsin is a large tombstone. It reads: " John J. Putnam, died June 5, 1856, aged 54 years, 11 months, 2 days, born Hampshire County, Virginia. Mary Magdalene died January 31, 1871 ages 68 years, 6 months and 21 days." They moved to Ohio in about 1825, right after they were married. His son Hiram was born in Ohio in 1825 and his son John Junior was born there in about 1835. They moved to Green County, Wisconsin in the early 1850s. John died there as stated in 1856. According to a History of Tarrant County, Texas (about their son John Junior), they had these children:

Hiram D. Putman born in Ohio in about 1825. In the 1860 census of Green County, he is 34 OH, Sarah Connett 24 OH, Cora 2 WI and Charles 1 WI. He died in 1892.

Ann E. Putman born in about 1826. She married W. Atherton of Albany, Wisconsin.

Henry Clay Putman born about 1827. He was an active citizen of Brodhead. He donated the building that was then used as City Hall, Library and Fire Hall. He was mayor of Brodhead, Wisconsin (Green County) from 1904 to 1908, a state senator, president of the Green County Bank from 1896 to 1909, owner of a lumber yard, and other such info from a Centennial Book of the Brodhead Historical Society.

John Jacob Putman, Jr. was born in Ohio in 1835. He married Julia D. Moore (born in Vermont) in 1871 in Wisconsin, and then moved to Fort Worth, Tarrant County, Texas in about 1875. They were in the 1880 census there. By 1900, he had died and Julia remained there through the 1930 census when she was shown as 84 years old born in Vermont. Based on the article and Texas census reports, the children were:

John Jacob Putman 3rd born in Wisconsin in August 1872. He was still single at home in 1910, and married but missing in 1920. He and his wife Lillian are shown in Tarrant County in 1930 and his mother and brother William are living with him.

Sophia A. Putman born in Wisconsin in 1873.

William C. Putman born in Texas in August 1876. He was still at home in 1920 and 1930 and single.

Worthy B. Putman a daughter born in Texas in October 1882, and gone by 1910.

A child who died as an infant.

PHILIP PUTMAN Philip was born about 1773 and married Catherine Singer about 1795 while living in Hampshire County. Catherine was born July 16, 1769. They moved to Ross County, Ohio about 1809. This would account for the family not being in the 1810 Virginia Census. Their first land deed was March 2, 1815 for 200 acres of land. They settled on Paint Creek in Concord Township, Ross County. In the 1820 census he is shown over 45, as is Catherine. They had two sons and six daughters at home and sons Peter and John were nearby with their own families. In 1830 I cannot find him, but his son Peter is listed in Ross County, and John seems to have moved south to Adams County. Philip died on May 31, 1836. In 1840 Catherine is in her 60s with two daughters at home, one in her 30s and one in

her 40s. In 1850 at age 80, she heads a household of her two daughters Mary 50 and Sophia 45. Also there is Deborah Carter age 38 with two sons. Deborah is another daughter. Catherine died on December 28, 1852. Their children were:

Mary Putman was born in 1793 and she was single at home in 1850. She died in Ross County May 6, 1869.

Elizabeth Putman was born October 1, 1794. She married Robert Hoddy.

Catherine Putman born March 1, 1793. She married John Clawson.

Peter Putman born in 1795. He married Kisiah Hoddy. He raised a large and well documented family. More can be found on him and his family in the **OHIO PUTMANS** section of this history.

Sophia Putman was born January 11, 1796. She was never married and died March 25, 1871.

Isabel Putman was born in Virginia on June 27, 1799. She married William M. Cochran March 21, 1826. They spent all their lives in Ross County. She died there June 14, 1880. William was born there July 26, 1797 and died there April 25, 1867. They had:

Mary Jane Cochran born February 19, 1827.

Catherine Cochran born in September 1829.

Sophia Cochran born July 4, 1831 and died August 6, 1921. She married John Parrett January 28, 1857.

Joseph Putman born in 1804.

Sarah Putman was born in about 1806. She married Joseph Hewitt.

Harriet Putman born in 1807. She married Charles Golliher.

Deborah Putman born about 1809. She married George Washington Carter.

Jacob Putman

Philip Putman Jr. was born February 28, 1813. He married Martha Clark. Again, I have a lot of information on him and his family and it is in the **OHIO PUTMANS** section.

MARGARET PUTMAN Margaret married John Hoddy. I have no other information.

MADDELINE PUTMAN Maddeline married Benjamin Thomas prior to 1794 when they bought land together in Hampshire County. They sold this in 1802 and moved to Ross County, Ohio and then to Scioto County, Ohio. Ben died in 1831 in Scioto County. The will mentioned his widow and these children:

John Thomas

Elizabeth Thomas

Deborah Thomas

Mary Thomas

Margaret Thomas

James Thomas

Jacob Thomas

Benjamin A. Thomas

Maddeline died when her house caught on fire. She escaped the fire, but returned to the burning house to get some silver and was then trapped inside.

CATHERINE PUTMAN According to a DAR application, Catherine was born in 1769. Catherine married John Thomas in Ross County, Ohio on October 3, 1803. He was probably a brother of Ben who had married Maddeline Putman. Catherine had six children before she

died in 1813. She was crossing a stream in a carriage, and it overturned and she drowned while trying to save her youngest child. John later remarried to Elizabeth Emmeline Flax on April 3, 1817. They had six more children. He died August 10, 1831 in Fayette County, Ohio. Elizabeth then went to Fulton County, Ohio with the children and she died there at the age of ninety-nine in 1885. The children, six by each wife, were:

Norris Thomas born in 1803. He married Marry (Polly) Barker July 6, 1825 and he died in Brown County, Illinois July 10, 1854.

Elizabeth Thomas born April 27, 1804. She married Hiram Barker May 5, 1825 and died in Brown County, Illinois September 17, 1846.

Benjamin Thomas born March 20, 1808 and died in Wapello County, Iowa on May 12, 1902. He married Patience Thompson on July 11, 1833 and after she died he married Mary Eggers Willis. I have more on this family in my files.

William Thomas born January 9, 1809 and died July 19, 1894. He married Julia DeWitt on January 19, 1830. They moved to Brown County, Illinois.

Abigail Thomas born about 1810 and married to Jacob Marten.

John Thomas born about 1812. He married Mary Fisk on July 16, 1835.

Malinda Thomas born March 23, 1818 and died in Fulton County, Illinois March 21, 1910. She married August 14, 1835. She was the first child with Elizabeth.

Samuel Thomas born in February 1820 and died in Fulton County on January 21, 1874. He married Clarinda Stephens on September 4, 1843.

Matilda Thomas born in 1824 and died in Fulton County on July 14, 1888. She married Gideon Graham on June 7, 1839.

Thomas Thomas born in June 1826. He married Eliza Turner June 22, 1851.

Jesse Thomas who married Martha Landon June 22, 1851 and died in Fulton County, Illinois on April 29, 1912.

Azariah Thomas married Charlotte Foutch on July 9, 1851 and then Matilda Ferris. He died March 30, 1907 in Havana, Fulton County, Illinois.

SOPHIA PUTMAN Sophia married William Goldsbury. I have no other information.

MARY PUTMAN Mary married Thomas Goldsbury, probably a brother of Bill. They moved to Ross County, Ohio, and then later to Tippecanoe County, Indiana. They had nine children.

Anna Maria Putman

Anna Maria was born in Frederick County on April 10, 1750.

Philip Jacob Putman, Jr.

Philip Jacob was born in Frederick County on November 11, 1757. He appears in the 1790 census of Frederick County, Maryland and is shown with a son over 16, one under 16, and his wife. He was missing in the 1800 census, but his son and widow are there. Near as I can figure, he had two sons as shown in the 1790 census:

UNKNOWN SON PUTMAN born in the 1770s. He is shown (I guess) as the second son in the 1790 census, but does not appear in the 1800 Maryland census, nor anywhere else I can find. I just assume he died, but have no real idea at all.

PHILIP JACOB PUTMAN 3rd born in the late 1770s or early 1780s. He is shown with his folks in 1790 and is listed simply as Jacob in 1800 in Frederick County. At that time his mother is with him. He married Catherine Smith in Washington County, Maryland on April 21, 1808. In 1810 he is listed as P. Putman, and is missing in 1820, which is about the time he died. In 1830 there is a 'Mrs. Putman' listed in the 1st District of Washington County. In 1840, she appears by her actual name as Catherine Putman. In 1850 only her son Noah Putman remains in the area. That's all I have, except there were daughters at home in the 1830 census. By 1840, what appears to be her son, Noah and his wife are with her as are one of the daughter's and Noah's mother in law, Mary Hines. I only have this on the son:

Noah Putman born in 1824 in Washington County. In 1850 he is in Washington County with a wife, Margaret Hines, born in 1826, and two children. Noah married Margaret in Washington County on December 14, 1840. In 1860 they are in Sharpsburg, Washington County. Noah appears with his son John in the 1880 Noundex. In a book on Washington County Deaths, I find Margaret, wife of Noah, died May 24, 1880 at age 59. Their children were (in 1850 and 1880):

John H. Putman born in December 1843. In 1880 he is in Washington County, with a wife named Elizabeth 27 and a daughter Mary F. age 4. In 1900 and 1910, they are in Jackson Township, Franklin County, Ohio. Children were:

Mary Putman born in 1875 in Maryland

Bessie Putman born February 1881 in Maryland

William A. Putman born August 1883 in Maryland

Kate C. Putman born October 1886 in Ohio. By 1910 Kate had married a Miller and was back home with two kids. She then married Otto Merriman and was in Columbus, Ohio in 1930.

Raleigh Putman born in 1868.

Johann Adam Putman

Johann Adam was born in Frederick County on October 5, 1760.

From a 1910 book, *The History of Frederick County, Maryland*, I get the following information. Johann's named was quickly Anglicized to John and his descendents were listed in this book.

John's son stated his grandparents were German and came to live in the Middletown Valley in Maryland.

This John Putman appears in the 1790 Census of Frederick County with a son under 16 and one over 16 and six females. In 1800, he appears as over 45 with three sons and a daughter under age

10, one son and two daughters between 10 and 16 and his wife also over 45. He is there in 1810 as well. In 1820 and 1830, only his son John appears in the Maryland census. I believe, John senior moved to Ohio early on. In 1830, his son Peter is in Franklin County, Ohio as is a Sarah Putman in her 60s with a son in his 30s. I think Sarah was Johann's widow. If so, he died there in the 1820s and may have been in Pennsylvania before that on his way out to Ohio. Also, there is another brother living with Peter in the 1830 census, not certain who he is, possibly John.

I safely guess that John Putman (born 1792) was one son and then I guess another was Samuel (born 1795) who just suddenly appears in the 1840 and 1850 census reports of Stark County, Ohio. I also guess that Peter Putman who also pops up in Ohio in 1830 to be another. Be real careful here, I am just simply guessing with nothing else to go on as far as the Ohio folks go. John Junior, is safe, his stuff comes out of a good book on Frederick County (1910).

PETER PUTMAN born in 1791. He first appears in Franklin County, Ohio in the 1830 census with a wife and three sons. He is there in Columbus in 1840 through 1860. In 1850 it states his birthplace was Ohio, but it was Pennsylvania in all other census returns. His wife was named Susan and was also born in Pennsylvania. As of 1860, they had the following children. I do not have the 1870 reports yet as there is no index for the state. Kids shown or guessed at in 1860 were:

John Putman born in 1816. I think he is the one living with his mother Sarah in 1830. He is in Washington Township, Franklin County from 1840 thru 1860. He has a wife named Harriet Mary Reeder, born in Pennsylvania and these children: Mary is shown as a widow in 1880.

Ellen Putman born in 1835 in Ohio.

Catherine Putman born in 1836.

Matilda Putman born in 1839.

James Putman born in 1843.

Ann Eliza Putman born in 1845.

Mary Putman born in 1848.

Susan Putman born in 1851.

Jennette Putman born in 1854.

Mary Putman born in 1819. She does not appear in the 1850 census and may be a daughter in law or even a sister. I do not believe she is a daughter, but a widow of one of Peter's other sons.

Louisa Putman born in 1830. She was at home in 1850 and 1860.

Samuel Putman born in 1847. He was not in the 1850 and pops up with the above Mary in 1860. I have the feeling he is Mary's son and not Peter's. He appears in 1900 in San Francisco, California.

Two other sons one who married the above Mary (I guess) and another. There were three sons in 1830.

JOHN JACOB PUTMAN was born June 22, 1793. He remained in Maryland and died in Middletown Valley on August 31, 1872 at the age of 79 years and 2 months. They are both buried in St. John's Lutheran Church in Ellerton, Maryland. They had six children who made it to maturity. They lived on the old farm in Harmony, Maryland in the Middletown Valley area of Frederick County. Based on the articles in this book, the children were:

Sarah was born December 28, 1848 and died February 20, 1872. Jacob married again to Margaret Albaugh and was in Pawnee County, Kansas in 1880. At that time he had a son John Daniel age 13. Margaret was widowed there in 1885.

PHILIP PUTMAN

Virginia to Ross County Ohio

Philip Putman was a son of Peter Putman and was born in Hampshire County Virginia. While most of the family remained in Virginia, Philip brought his family to Ross County Ohio.

The family of Peter Putman is covered earlier, and I will now cover Philip and his family in this section.

Philip was born about 1773 in Virginia and married Catherine Singer about 1795 while living in Hampshire County. They moved to Ross County, Ohio about 1809. This would account for the family not being in the 1810 Virginia Census.

They settled on Paint Creek in Concord Township, Ross County. In the 1820 census he is shown over 45 as is Catherine. They had two sons and six daughters at home and sons Peter and John were nearby with their own families.

In 1830 I cannot find him, but his son Peter is listed in Ross County, and John seems to have moved south to Adams County.

Philip died on May 31, 1836. In 1840 Catherine is in her 60s with two daughters at home, one in her 30s and one in her 40s. In 1850 at age 80, she heads a household of her two daughters Mary 50 and Sophia 45. Also there is Deborah Carter age 38 with two sons. Deborah is another daughter.

Catherine died on December 28, 1852. Both Philip and Catherine are buried in Frankfort, Ross County, Ohio.

Their children were:

Mary Putman

Mary Putman was born in about 1800, as she was 50 in the 1850 census. She remained single.

Elizabeth Putman

Elizabeth or Betsy married Robert Hoddy in Ross County on October 29, 1818. Robert was a son of Richard Hoddy who brought his family from Harper's Ferry, Virginia in the late 1790s. He was made a Captain in the War of 1812 and the family remained in Ross County. Robert Hoddy ran a grist mill and later a distillery, the first in the Scioto Valley. They had several children and they were both alive in 1871 when the book *Early Settlers and Settlement of Ross County, Ohio* was published.

I do not have a list of their children.

Peter Putman

Peter Putman was born about 1796 in Virginia. He married Kisiah Hoddy on April 6, 1820. Kisiah was Robert Hoddy's brother and was born in 1803 in Ross County, Ohio.

They lived all their lives on a farm on Indian Creek in Concord Township of Ross County. Kisiah died in 1878 at age 75 and Peter died in 1889 at age 93.

They had twelve children:

ANN PUTMAN was born about 1821. She married David Near on March 10, 1842 in Ross County.

ISAAC PUTMAN was born in 1823. He married Nancy Thomas on October 26, 1847. In the 1850 census he was 27 and Nancy 25 and they had two sons at that time. Nancy died in the early to mid 1850s. On December 9, 1858, he married Lucinda Wilkins. They were in Concord Township, Ross County through the 1880 census. By 1900 both had died, or at least were not shown any more. There were only two children, both in the first marriage:

Joseph C. Putman born in 1846, and died before the 1860 census.
