# The Putman Families

## of Pike, Montgomery & Polk County Arkansas

Ezekiel Putman, son of Barnet Putman, went to Hall County, Georgia with his brother Thomas. Ezekiel Putman and his family were covered in the section on GEORGIA PUTMANS. Ezekiel's son JACOB PUTMAN and Ezekiel's grandson ELIJAH COVINGTON PUTMAN, son of Elias Putman were in Pike County for the 1860 census. Elijah was there in 1870 and in Montgomery County, Arkansas in 1880. His children were in Montgomery and Polk Counties in 1900.

### ELIJAH COVINGTON PUTMAN

Elijah was a son of Elias and Arletha Putman and a grandson of Ezekiel Putman. He was born in Hall County, Georgia on November 19, 1826.

He was first married in Floyd County, Georgia in 1849 to Mary Ellen Dodd, daughter of John Dodd and Charlotte Earle. Mary Ellen died in Georgia in 1857, and he moved to Arkansas in the late 1850s. Elijah and Mary Ellen had only three children, John, Hannah and William Putman, and possibly a Rebecca.

Elijah then married Melinda Millie White, born in Tennessee on November 29, 1837. Family tradition was that she was half Cherokee. He married here about 1859, and the children didn't like her it seems. A descendant has a photo of Melinda and she is definitely an Indian. They refused to return to Arkansas with their daddy. The kids moved in with their grandparents, the Dodds. Then to make matters worse, Elijah fought for the Union in the Civil War while in Arkansas. The children back home in Alabama were so devastated by the way they and the South were treated during the War that they never again had any contact with their father.

Elijah was a blacksmith by trade, like so very many other Putmans. The family was in the 1860 and 1870 census reports of Pike County, Arkansas and in Montgomery County, Arkansas in 1880.

Elijah Fought on the Union Side in the Civil War. He enlisted on November 19, 1863 at Benton, Arkansas. He was a private in the 4th Arkansas Cavalry. Elijah Covington Putman died near Camp Albert Pike in the Quachita National Forest, in Pike County, Arkansas on February 18, 1895 and is in one of the graves in the Putman Cemetery there. I have a photo of these stones. Malinda's tombstone reads born 1837 died 1895. She was born in Tennessee on November 29, 1837 and she died in Big Fork, Arkansas November 18, 1895.

The children, the first four by Mary Ellen, the rest by Millie, were:

**HANNAH MINNIE PUTMAN** born in 1849 in Gordon County Georgia. She would be the first child in the marriage with Mary Ellen. She and the next four kids were born in Georgia. In 1860 she is living with a Mary Ann Burns (same age as her mother would have been) in Rome, Floyd County. She then pops up with John and Rebecca in 1870 with her grandparents, John and Charlotte Dodd.

**JOHN EZEKIEL PUTMAN** was born in Gordon County Georgia on February 6, 1851. He died in Jolly, Newton County, Missouri on October 2, 1929. He moved with his family to Alabama for two years and there married Sarah Elizabeth Grimes. She was born in Tennessee in 1856 and died in Newton County Missouri January 9, 1929. When his parents went to Arkansas, he went on to Missouri and settled in Newton County and remained there all his life. He was living in Alabama during the Civil War and had a real hatred for the Yankees. His father fought for the Union and John never spoke to him again. Much more on this family is in the section on **MISSOURI PUTMANS**.
