The German Putmans

Virginia to Ross County Ohio

PHILIP PUTMAN

This family is German. In the mid to late 1700s, Peter Putman's family popped up in Hampshire County, Virginia. Hampshire County became part of West Virginia when that state was formed in 1863. It was a real toss up as to their origins. I had guessed they might be related to Henry and Sarah Putman of Middlesex County, part of our Southern English Putnam/Putman family. Then they could have been German, related to Philip Jacob Putman of Frederick County, Maryland. Hampshire County is close to both areas. Based on some new info, I think they are German. In a County history of Tarrant County, Texas, a descendent of Peter Putman of Hampshire County, stated his grandfather came from Germany. That sounded good enough for me.

Philip Putman was a son of Peter Putman and was born in Hampshire County Virginia. While most of the family remained in Virginia, Philip brought his family to Ross County Ohio.

The family of Peter Putman is covered in the **WEST VIRGINIA PUTMANS** section of this work and I will now cover Philip and his family in this section.

Philip was born about 1773 in Virginia and married Catherine Singer about 1795 while living in Hampshire County. They moved to Ross County, Ohio about 1809. This would account for the family not being in the 1810 Virginia Census.

They settled on Paint Creek in Concord Township, Ross County. In the 1820 census he is shown over 45 as is Catherine. They had two sons and six daughters at home and sons Peter and John were nearby with their own families.

In 1830 I cannot find him, but his son Peter is listed in Ross County, and John seems to have moved south to Adams County.

Philip died on May 31, 1836. In 1840 Catherine is in her 60s with two daughters at home, one in her 30s and one in her 40s. In 1850 at age 80, she heads a household of her two daughters Mary 50 and Sophia 45. Also there is Debora Carter age 38 with two sons. Debora is another daughter.

Catherine died on December 28, 1852. Both Philip and Catherine are buried in Frankfort, Ross County, Ohio.

Their children were:

Mary Putman

Mary Putman was born in about 1800, as she was 50 in the 1850 census. She remained single.

Elizabeth Putman

Elizabeth or Betsy married Robert Hoddy in Ross County on October 29, 1818. Robert was a son of Richard Hoddy who brought his family from Harper's Ferry, Virginia in the late 1790s. He was made a Captain in the War of 1812 and the family remained in Ross County. Robert Hoddy ran a grist mill and later a distillery, the first in the Scioto Valley. They had several children and they were both alive in 1871 when the book, *Early Settlers and Settlement of Ross County, Ohio*, was published.

I do not have a list of their children.

Catherine Putman

Catherine Putman married John Clawson in Ross County, Ohio on November 17, 1814. This must have been her second marriage as she married John Thomas, also in Ross County, on October 13, 1803. He must have died and she married John Clawson after that.

Peter Putman

Peter Putman was born about 1796 in Virginia. He married Kisiah Hoddy on April 6, 1820. Kisiah was Robert Hoddy's brother and was born in 1803 in Ross County, Ohio.

They lived all their lives on a farm on Indian Creek in Concord Township of Ross County. Kisiah died in 1878 at age 75 and Peter died in 1889 at age 93.
