Reuben was born about 1805. In the 1850 census of Laurens County he listed as Hiram and his

Sally was born about 1806, married Reuben Dollar in Laurens County and died in Morgan County Alabama.

Reuben died in 1849 and Nimrod settled the estate in Laurens County.

Sarah is listed in the 1850 Morgan County Alabama Census. With her are these children, all born in South Carolina. Also living with her is William Dollar, age 60. William was Reuben's older brother.

Sarah's gravestone in Whitewater Cemetery, Perry County Missouri says she died there February 27, 1894.

John Calhoun Putman

John was born in Laurens County in 1808. He married Nancy Ellen Garrett about 1837, and they were in the 1840 census of Laurens County. In 1850 they are in Blount County Alabama where he is 41, Nancy 37 and they had their first five children.

By 1860 things went a tad downhill for John. Instead of listing himself as a farmer, he listed as a day laborer and his two oldest sons, Reuben and Henry, were working on a neighbor's farm. But, he had two more children by then. The 1860 census showed John, James and George as being

born in Georgia, but 1850 showed them born in Alabama. I really don't feel he moved to Georgia and then back to the old farm.

In 1870 he is still in Blount County Alabama with a farm again and one more daughter. In 1880 he is still in the county at age 66 and Nancy is 60.

I assume they died by 1900 as they were not in that census.
