The Putman/Putnam Family

Fauquier & Warren Counties Virginia

In the mid 1700s, a Putman/Putnam family appears in Fauquier County which is the adjacent county on the north and east to Culpeper County where several Putman families were located. Fauquier County was formed out of Prince William County in 1759.

As mentioned earlier, I feel these folks descended from William Putman, Henry Putman or both. But, I just do not know.

The earliest land record I find in Fauquier County is a where the Reverend Denny Martin Fairfax leased lands to Joseph D. Putman on April 6, 1793. The lease was witnessed by Matthew Neavle among others. The Neavle family was quite prominent and was related to Ambrose Barnett as mentioned in a book, *FAUQUIER DURING THE PROPRIETORSHIP*.

Catherine McNeil sold a tract of land to the same Joseph D. Putman on August 8, 1803.

Now going out on a limb, here is how I think this branch went. Keep in mind this is just guesswork, but when records simply do not exist, one just has to grope at anything that comes along.

There were two Putmans who I feel went into Prince William and Fauquier Counties in the mid 1760s, they were Henry Putman and William Putman, brothers and sons of Thomas Putman the Third. In 1757 Fauquier County was formed from Prince William so they most likely were in what is now Fauquier all along. They certainly were there by 1765 when their kids started marrying and those marriages were recorded.

Now as to travel dates. Somebody, William or Henry, had daughters that were married in Gloucester County in 1753, 1756 and 1762. Then, one or the other had daughters married in Fauquier County beginning in 1765 and 1768. The move may have taken place in this time period, or they may have left separately at different times. Coin flip here.

At any rate, Henry and Sarah Putman and William and his wife simply ceased to exist in Gloucester County after 1762. The most logical assumptions are that they died or moved. Or one died and one moved. Or flip another coin.

I do not know what happened to Henry Putman. What little I know about him was written in his section as a son of Thomas Putman 3rd. My guess is that he died.

But I do know that William Putman got to Fauquier and I feel that this group of Putman folks descended from William, so here goes.....

WILLIAM PUTMAN

William Putman was most likely the son of Thomas Putman III and would have been born about

1705-1715 in Gloucester County Virginia. I have no idea who his wife was. He is mentioned in the Register of Kingston Parish in the early 1740s. He would have married about 1730-1735, but as mentioned earlier the Register for the 1730s is missing forever.

He remained in Gloucester County until about 1763 and then went west into Virginia's Northern Neck and settled in Fauquier County where he most likely died.

He had at least the following children:

Dorothy Putman

Dorothy was born about 1735. She married Abraham Crawley in Gloucester County in 1753.

Susannah Putman

Susannah was born about 1738. She married William Harris in Gloucester County in 1756.

Sukey Putman

Sukey was born about 1740. She married Richard Dye in 1762 while still in Gloucester County. I have no idea what Suky is a nickname for. Maybe Susie, maybe Lucy.

William Putman II

Young William was born about 1742. The line comes down from him, his life follows in the next section.

Elizabeth Putman

Elizabeth was born about 1745. She married Hezekiah Rhodes in Fauquier County on January 28, 1765.

Nancy Putman

Nancy was born about 1749. She married John Rhodes on November 10, 1768 in Fauquier County.

WILLIAM PUTMAN II

The younger William Putman was born in the early to mid 1740s in Gloucester County Virginia. He married in the early 1770s. It appears that his wife was Catherine Darnell. She later

married John McNeil and mentioned her Putman children in her will.

He served in the Revolution from October 8, 1776 through March of 1777. He may have served in another regiment after that, but I have no further records. He also may have been killed and that is my guess.

Then things get a little tricky. William was married before going off to fight in the Third Virginia Regiment. His service seems to have abruptly stopped effective on the first of a month, March 1777. Fighting was just getting underway and it is doubtful he would have been discharged after so short a service. It also appears he had only one child, a son Joseph, before going to war. I think he was simply killed in the Virginia fighting during the Revolution, otherwise there would have been more kids when he returned. I am guessing that Joseph was the only child.

Now as to his wife. His eldest and most likely only son was Joseph Darnell Putman. Joseph was given land by Catherine McNeil. Now it is my belief that the wife of William Putman was Catherine Darnell. After William died or was killed, Catherine remarried to John McNeil. John served as bondsman in the marriage of both Elizabeth and Nancy Putman in Fauquier County. John died in 1784. Catherine left her will in 1808 and left goods to William and Joseph Putman and Joseph was the executor of this will. Looks pretty much like Catherine was Catherine Darnell Putman McNeil.

Anyway here is the next in line. I am sure he was the only son.

JOSEPH DARNELL PUTMAN

Joseph was born about 1761 or 1762 just as William went to war and probably right after his folks were married. He seems to be the only child. He then married Sarah Ball March 22, 1790.

Sarah Ball was born in 1768 to 1769 and was a daughter of Benjamin and Anna Ball. The Ball family came from King George County also a Northern Neck county. Benjamin was born September 13, 1742 and died in Fauquier County on March 13, 1807. His father was Benjamin Ball Senior born in Virginia on November 18, 1719 and married on May 20, 1737 in King George County to Anne Owens, born May 6, 1716. Benjamin Senior died in about 1783.

Joseph D. Putman obtained land via a lease in Fauquier County on April 6, 1793 and on August 8, 1803 purchased either that land or another. He purchased the land from Catherine McNeil, most probably his mother.

Joseph was a miller and owned a gristmill on Ferry Run near the west base of Oven Top Mountain. He later sold it to John Marshall.

Joseph D. Putman appears in all the Virginia census returns in Fauquier County through 1850 when he was 88 years old and Sarah was still there at age 81. They never made the 1860 census so died in the 1850s and in Fauquier County.

I have little more on Joseph Putman other than he, like his relatives, had a whole bunch of kids.

William L. Putman

William Putman was born about 1793 and he married Pency Ally Gill on February 8, 1817. Pencetha or Pency was a daughter of John Gill of Fauquier County.

They appear in the 1820 census of Prince William County Virginia with two young sons. He is not enumerated in the 1830 census, but had died by 1840 as his wife is shown as a head of household and a widow in Warren County Virginia where she will remain and appears there at age 52 in the 1850 census. She is missing by the 1860 census of Warren County and I assume that she died during the 1850s.

Their children were:

JOSEPH WILLIAM PUTMAN born in about 1818. He married Susan F. Marshall in Warren County Virginia in 1839 and this is recorded in Book A. He died about 1854. He was a carpenter by trade. She is listed in the 1860 census of Warren County at age 38 and a pauper. I do not find her in 1870. Their children were:

Mary E. Putman born in 1843 and married Joseph R. Holmes September 17, 1867.

William F. Putman born August 25, 1845. He married Eva Virginia Anderson, born in 1847, on December 3, 1868 and died in Laurel, Maryland February 27, 1932. He was in Shenandoah County Virginia in 1880 with two children, and in Frederick, Frederick County Maryland in 1900 with four more kids. In 1920 and 1930 just he and Eva are in Laurel, Prince George County where they will remain. The children listed were:

Charles William Putman born November 2, 1875 in Virginia. He married Gertrude Hill January 7, 1910 and they are in Clarke County Virginia in the 1920. I don't find them in 1920, but in 1930 they are in Martinsburg, West Virginia and still no children.

LUCINDA PUTMAN was born about 1834. Here we get something interesting. There is no record of Lucy ever marrying, but it seems she had three children out of wedlock. On the marriage certificates of William Augustus and Ella Putman, each lists their parents simply as Lucy Putnam. A descendant of Sarah L. Putman has researched all the records and this is how we figure these three kids into the scheme of things. The three children were:

Ella Putman born in 1855. When she was married November 28, 1877, she listed her name as Ella McGovern, and her parents as Lucy Putman. She seems to have been married previously to a McGovern. In 1877, she married Jonathan William Loveless in Warren County.

On this certificate, his parents were listed simply as Lucy Putman. The family was in Warren County in 1900 and Staunton, Augusta County in 1910. In 1920, Clara was shown as a widow with a bunch of kids still at home. Same in 1930 when they are still in Staunton. Their children were:

Minnie L. Putman born February 17, 1883. She was married by 1910.

Joseph Darnell Putman Jr.

Joseph Putman was born about 1794. He married Mary Gill on March 4, 1817. He and his brother William married two Gill sisters. They were daughters of John Gill of Fauquier County.

Joseph remained in Fauquier County all of his life where he was a farmer. Although he married Mary Gill, the 1850 census of Fauquier County shows his wife as Nancy. He was widowed again by the 1860 census. This Nancy was three years older than he, Joseph being 57 and Nancy being 60. The children were all born prior to 1835. Mary may have died in the late 1830s or early 1840s and Joseph remarried.

At any rate, Mary Gill was the mother of all the children as far as I know. Mary was also certainly not alive in 1850.

Joseph Putman died in Fauquier sometime in the late 1870s. His will was probated March 24, 1879. His children were all shown in the 1850 census except a son and a daughter born between 1818 and 1820. They would have been the eldest. I am guessing that the son was Martin. The daughter might have been the above mentioned Nancy.

The following are the children (I hope) of Joseph and Mary Putman.

LUCY ANN PUTMAN was born January 1818. She was still single living with her dad in 1860 and 1870 and was living with her brother Noah in 1880 and 1900. She died May 4, 1900 at age 82.

WILLIAM GEORGE PUTMAN was born in January 1819. He married Landonia Hefflin, daughter of Lawson A. Hefflin on October 10, 1843. She died shortly thereafter and there were no children. He married again on September 6, 1847 to Elizabeth Butler, born July

1828. He was living next door to his father in the 1860 census. In 1860 he was a sawyer. In 1870 he is still around with a few more kids. In 1900 both he and Elizabeth are living with their son Edward in Rappahannock County. William died in the early 1900s and is buried in Amosville, Rappahannock County Virginia. Elizabeth at age 82 is still with Edward in the 1910 census and is still there in 1920 at age 92, bless her. The children were:

John William Putman born May 1851. His wife was named Angeline Pettibone (Lena) and they are in Rappahannock County in 1900 with one son. In 1920 he is living alone at age 65 still in Rappahannock County. The child was:

Oliver Thomas Putman born March 11, 1891. Ollie wasn't born a Putnam, but was adopted by John and Angeline. He married a Putnam however. He married Minnie Myrtle Putnam, daughter of Joseph Winter and Mary Putnam of Fauquier County. He and Minnie are in Baltimore, Maryland in the 1920 and 1930 census, and have three sons: Oliver Theodore, Elwood Randolph and Archie Nevlin Putnam. They are all in Prince George's County Maryland in 1940 working as carpenters for a construction company.

George Washington Putman born August 5, 1853. In 1900 he is in Front Royal, Warren County with a wife named Caroline Lee Pettibone and a daughter. Caroline was born May 18, 1862 and died in Front Royal November 19, 1905. George died there May 11, 1910, so they never made the 1910 census. The daughter was:

Bessie Lee Putman born December 6, 1882. She married Harry William Blundon on December 6, 1913, and she died in 1966 in Front Royal.

Frances R. Putman born 1857. She married a Green and lived in Leesburg, Virginia.

Mary E. Putman born 1859. Mollie married Winfield Putman, a cousin.

Joseph Carter Putman born in August 1862. He married Elizabeth Ann Brown and died in Warren County Virginia on March 17, 1953. Elizabeth was a daughter of Daniel Brown and Sarah Jane Ramey and born in February 1860, and died in 1946. They are in Warren County in 1900 next to her parents. They are there through the 1930 census reports. Their children were:

Arthur Irvin Putman born July 8, 1890 and died in Gwynn Oak Maryland in May 1984 at age 95. He was home in 1920 and married to Edna. They were in Baltimore, Maryland in the 1930 and 1840 census. Edna was born October 28, 1897 and died in Gwynn Oak in July 1971.

William Destin Putman born January 18, 1893. He too is home married to Iona Frances Reed in 1920. They were married in 1918 got divorced in about 1921, and his wife Iona is married to Clarence Ritenour with their kids in 1930 and 1940 in Fort Royal. By 1930, he too has remarried and is in Rappahannock County with a new wife Claudia and two daughters.

Lilly Putman born June 1894. She was married to Thomas Trimble and they were at home in 1930. She was still with her dad in 1940.

Annie M. Putman born April 18, 1900. She married Ernest H. Jannie.

Edward M. Putman was born in March 1865. He is in Rappahannock County in 1900, 1910 and 1920. His wife was named Mary F. Both parents were with him in 1900 and his mother was still there in 1910 and 1920. He is widowed in 1930. The only child was:

Gilbert Bastable Putman born August 7, 1892. He is single in 1920 and in 1930 is with his dad and has a wife Ethel V. Same in 1940 and has a son William G. age 5 then.

MARTIN S. PUTMAN was born in about 1819. He married Elizabeth Gill in Fauquier County on October 10, 1840. Elizabeth was a daughter of James Gill, one of John Gill's sons. They had three children before 1850. Martin died about 1845. By the 1850 census

Elizabeth was back living with her father and her three children. However in 1860 she is listed a widow, but has two more daughters born in the 1850s. It seems she was having an affair with a neighbor John A. Jackson, and all but Martha are with him. In fact, Jackson's wife took her husband to court over the affair. The court document states that Elizabeth had several children since her husband's death. Jackson built a new house on his property and furnished it and then deeded it to Elizabeth and the children. (these tidbits were supplied by a descendant). In 1860, she is living with her father, James Gill who is then age 66. She was living with her son, Silas, in the 1880 census of Fauquier County. The children were:

Martha Putman was born in 1841. She was the only child fathered by Martin Putman. She married Townsend Fletcher on May 14, 1863.

Rodnor W. Putman was born in 1845 and died in his teens.

Silas W. Putman was born in November 1847 a year or so after his 'father' died. In 1870 he is shown with his wife Ann Eliza Wines. They were just married October 30, 1869. She died in childbirth on December 29, 1879 at age 27. In 1880 Silas was a widower with five children. His mother was with him then. In 1900, he is in Fairfax County with a wife Mary Ann Saunders and a bunch of their new children. They were married in Warrenton, Virginia on April 20, 1881. She died in 1900 and he then married Eliza J. Hewett in 1901 and she was killed by lightning July 21, 1904. There was an article in the Washington Post May 27, 1907. After his third wife died ('one under very strange circumstances') he hired a widow Mrs. Emma Beavers as a housekeeper. He apparently had a bad drinking problem and was not too nice when drunk. He had asked her for several years to marry him, and when she didn't want to go through with it, he shot and killed her. He also shot at one of her children and then sent the last bullet into his own heart. The whole thing was a real mess. In 1910 the two youngest kids are in an orphanage in Washington DC (probably Alexandria). Children based on the census were:

William H. Putman born in 1870. He is in Alexandria (Washington DC) in 1900 with a wife named Rose B. born in Maryland and two children. In 1910, Rosa was 'widowed' in Washington DC with Edith, and they were there in 1920 as well. William I think is the one in Frederick County Virginia in 1920 with a new wife Virginia. Not certain. The kids were

Edith W. Putman born 1892 in DC

Nellie Putman born December 17, 1885 and died in December 1900 at age 14. The Washington Post article said that she had committed suicide by shooting herself. It turns out it was the same gun Silas used in his killings.

Bartemous B. Putman

Bartemous seems to use the nickname Amis. He was born in 1802 and remained in Fauquier County all his life. His wife was named Frances E. Dulin. She was born in 1817.

He was a miller like his father and ran a gristmill on Thumb Run.

What I have on the children comes from the 1850 census. He died in 1859. Frances also died in the 1850s, and in 1860 the kids are all over the place with various families.

MARTHA A. PUTMAN was born in 1832. She and two younger sisters were with Charlotte Dulin, age 71 in the 1860 census. Charlotte might be granny.

ELIZABETH F. PUTMAN was born in 1840. She may have married D. E. Mahlm and that was how her sisters came to live with that family.

SARAH M. PUTMAN was born in 1841. She was with D. E. Mahlm in 1860.

Nancy Putman

Nancy Putman was born about 1810. She married James Sudduth on December 27, 1826. Her father, Joseph, acted as bondsman. I believe they moved to Culpeper County with other Suddeths.

Polly Ann Putman

Polly Putman was born in about 1812. She married Harrison Sudduth in Fauquier County on August 14, 1834. In the 1850 census of Culpeper County Harrison was shown at age 44, with a wife named Catherine, age 50 and two children. In 1860 and 1870 Harrison has returned to Fauquier County and sure enough Polly Ann is there both times. In 1870 Harrison is 64 and Polly 60.

Based on the 1850 through 1870 census reports, their children were:

ALBERT O. SUDDETH born in 1835.

JOSEPH FRANKLIN SUDDETH born in 1836. He married Katherine Frances 'Sarah' Kearnes.

SARAH C. SUDDETH born in 1837.

ANNA SUDDETH was born in 1852.

MARY F. SUDDETH was born in 1855.

John Putman

John Putman was born in Fauquier County on April 26, 1802. He married Sophia Creel in Fauquier County on December 4, 1826. Sophia was a daughter of Harrison Creel and Elizabeth Lear. Sophia was born in Fauquier County on November 2, 1807.

It was this family that traveled into Gilmer County Virginia (now located in West Virginia) and spawned off that entire crowd in the late 1800s. The family moved in the mid 1840s with the exception of the eldest child, Levi, who remained in the area and took over the original family farm.

John died in Gilmer County on December 12, 1862 and Sophia died there on March 3, 1865. It was by then West Virginia. The northern Virginia Colonies had refused to join the Confederate States of America, and West Virginia became a state. This is most likely why they moved this way in the first place. They are both buried in Baldwin, West Virginia.

The children of John and Sophia Putman were:

LEVI J. PUTMAN was born about 1826 and was the eldest child. He seems to have remained in Fauquier County when his folks left. He married Mary Ann Sudduth in Fauquier County on December 26, 1849. They appear together in the 1850 census and then drop out of sight until 1870. I have no other information on this family until 1900 when Levi pops up in Cedar Run of Fauquier County living with his son Malcolm and that family. In 1910, Levi is 84 showing his birth to be around 1826. There may have been other children, but as I can't find Levi in 1860 or 1880, I would just be guessing. All I can state for certain are these children:

Frederick Putman born in 1852. He appears in the 1880 Fauquier County census with his wife Mary Virginia Jeffries and two sons. She was a daughter of Hiram and Mary E. Jeffries of Fauquier County and was born April 7, 1854 and died April 13, 1906. They were married November 4, 1875. In 1900, Virginia is with Levi and appears to be a widow with two daughters. I do not know what happened to the first two sons or to Fred. I don't find any of them in 1910. The children were:

Howard Jeffries Putman born September 4, 1876 and died in a railroad accident December 7, 1904.

Arthur Pembroke Putnam born November 24, 1878. He is single in Culpeper County in 1900 and then married there from 1908 through 1930 with a wife named Effie Irma Tancill and seven kids. He owned a blacksmith shop in Cedar Mountain. He died April 9, 1965. Irma was born November 8, 1883 and died January 13, 1958. The kids were:

Katherine Virginia Putnam born April 28, 1910.

Lester Pembroke Putnam born January 6, 1912 and died in Maryland November 23, 1972. His wife was Lillian born June 1, 1920 and died August 15, 1996.

Anna Mary Putman born November 20, 1880. She married John Kite Biedler on November 20, 1907. She died of a heart attack on April 23, 1944. John was born November 15, 1883 and died July 11, 1974.

Abbie Putman born in January 1883. She married Wade Hampton Newton.

Alice Putman born in 1854.

Jeannie Putman born in 1857.

Ida Putman born in 1861. She married James Embrey on December 31, 1888.

Mason H. Putman born January 23, 1865. He married Blanche Mary Bishop. He was in Virginia in 1900, and running a Street Car in Washington DC in 1910. In 1920, Blanche is with their daughter Martha in Fauquier County with her folks. They are all in Fauquier County in 1930. In 1930 He was unemployed and Blanche was running a boarding house. Blanche was born October 4, 1874 and died July 29, 1964. Mason died July 24, 1932. Blanche was widowed here with Frank in 1940. They are both buried in Warrenton Cemetery in Fauquier County. There were two children:

Howard Elwood Putnam born in 1900. He was single in Washington in 1920. He married Mildred Markley in 1923 and in 1930 they were in Rockville, Maryland living with her widowed mother Mabel. They didn't have any children then. They were there in 1940 and had Howard Jr. age 8 MD. He was a lecturer on a sightseeing bus.

They were married March 1, 1898. There were no children as of 1920. They are in Prince William County in 1940 and still no kids. He will die back in Fauquier County February 10, 1942. Virginia was born in Fauquier County October 2, 1878 and will die there April 2, 1943.

MARY JANE PUTMAN was born August 30, 1827. I have nothing more on her except she was still living at home in the 1860 census and was a seamstress at that time and she was 32 years old so probably never married. She died in Gilmer County on February 8, 1869.

JAMES PUTMAN was born in 1830. He was married three times. He first married Louvinia Stull on December 11, 1854. They had one son, John Joseph Putman, according to another researcher. He then married Lydia Ellen Cox on February 11, 1858. They had Jonathan Putman. He then married Sarah Catherine Dulle in Gilmer County on January 4, 1879. In 1880 they had John Monroe Putman age 1. She was 27 and he 49 when they were married. James served in the CSA during the Civil War. He died in 1909 in Braxton County West Virginia. In 1920, Sarah now 68 is living with her son John Monroe Putman. They had these children in this last marriage:

John Joseph Putman born November 6, 1855 as shown in the 1860 census. I next find him in 1920 in Mohave County Arizona at age 69 born West Virginia. He ran away from home at age 12 and headed west. He was a marshal in several Arizona and New Mexico towns. He was twice married, first to Mattie Lewis, then to another woman. His first wife and only daughter died in a Flu epidemic in Lordsburg, New Mexico. He died November 2, 1932, and is buried in Kingman, Arizona. He had three sons that he basically raised by himself:

Mary died in 1992 and he married a high school sweetheart Betty (Kimmick) Hunt in Silver City, New Mexico June 26, 1999.

John Joseph Putnam born in New Mexico February 14, 1895 and died January 8, 1971. He is at home in 1900 and 1910 and missing in 1920. He must have gotten married and divorced as in 1930 he says he is divorced.
