

ANNA PATTERSON

Annie Patterson was the first child born in St. Louis County, Missouri. She was born September 2, 1798. The family had left Jefferson County, Kentucky the previous year and John Patterson had a survey made in St. Louis County of his new lands in November of 1798. I therefore assume she was born either in Missouri or '*on the road.*'

She married Eusebius Hubbard in about 1824 in St. Louis County, Missouri.

Eusebius was the brother of Lucy Hubbard mentioned earlier. Eusebius was also known as Silas, as noted in another source. He was a son of Durrett and Susannah Hubbard. He was born in Madison County, Kentucky on July 10, 1794.

Right after they were married, the family moved westward to Boone County, Missouri and remained there.

Annie died there on September 12, 1873 and Eusebius died there January 27, 1883. Both are buried in the Bonne Femme Cemetery.

According to one source, there were twelve children. I have information on eight. They must have been a terribly ugly family or very unfriendly as only two kids ever married and the rest just sorta hung around home with their folks. Once the folks died, they just hung around with each other.

William Patterson Hubbard

William Hubbard was born in Boone County, Missouri on August 2, 1825 and died in Boone County on August 17, 1895.

He was living with his parents through the 1880 census. I have nothing more on this family, but I assume he never married.

Martha Hubbard

Martha was born in Boone County on August 31, 1828.

She never married and lived with her parents all her life.

She died in Boone County August 7, 1918.

Elizabeth Hubbard

Elizabeth was born about 1830 or in the early 1830s. She died in infancy.

Lucy Hubbard

Lucy was born in Boone County on October 26, 1832.

She married a Brooks who either died or left her as in 1900 she was living with her brother John and sister Martha.

Nancy T. Hubbard

Nancy was born in about 1835. She married Nelson Lain on October 1, 1857 in Boone County, Missouri. I have nothing more on this family.

Susan F. Hubbard

Susan was born in Boone County on January 29, 1839.

It seems she also never married as she was listed with her folks in 1850, 1860 and 1880. She died March 25, 1892.

David Henry Hickman Hubbard

David was born on November 20, 1843. He married Sarah Jane Duncan in Boone County on December 15, 1869. David died in Boone County on November 10, 1929.

They had these children:

LAURA HUBBARD was born in 1871 and married Harve Robinson.

JOHN DUNCAN HUBBARD was born in 1874. He was married twice, first to Willie Martin and then to Anna Lee Selby.

ANNIE LARCH HUBBARD was born in 1879 and married Emerson Davis Allen.

JAMES STEWART HUBBARD was born in 1885 and married Birdie Jolly Wilcoxon.

SALLIE DAVID HUBBARD was born in 1890 and married William E. Phillips.

WILLIAM P. HUBBARD was born in 1895 and married Bertha Adcock.

John P. Hubbard

John was born January 1, 1844 and died in Boone County October 16, 1916.

He never seemed to have married. He was living with his parents until they died and then lived with his spinster sister, Martha after that.
